

TO: Port Commission  
FROM: Holland MacLaurie, Port Director  
DATE: February 4, 2026  
SUBJECT: Review of Draft FY27 Budget and 5-Year Capital Improvement Program

**Recommendation:** *Receive and review the Draft FY27 Budget and 5-Year Capital Improvement Program, and provide direction on the following:*

- 1. Proposed fund contributions and reserve levels.***
- 2. Capital Improvement Program priorities and funding allocations.***
- 3. Any revisions to the draft FY27 fee schedule to be incorporated into the final budget.***

## **BACKGROUND**

The draft FY27 Budget (Attachment B) is presented concurrently with the proposed Five-Year Capital Improvement Program (CIP). Together, these documents provide an overview of the District's operating budget and debt service, recommended funding levels for dredge equipment and projects through the Dredge Fund, and proposed capital projects and capital outlay.

As part of the annual budget process, staff presents a balanced budget for Commission review, allowing consideration of reserve funding levels, capital priorities, potential fee adjustments, and projected debt service coverage. The draft FY27 Budget exceeds the required debt service coverage ratio of 1.25.

Development of the FY27 budget was informed by several overlapping factors that continue to influence both revenues and expenditures, including uncertainty associated with the City of Santa Cruz's Murray Street Bridge Project, ongoing planning for permanent repairs to storm surge-damaged infrastructure at G and X Docks, and preparation for the planned 2026 offseason haulout of the dredge *Twin Lakes*. Collectively, these considerations resulted in a conservative and measured approach to budget development.

## **ANALYSIS**

### **Revenue & Expenditures**

The draft FY27 Budget is presented as a balanced budget, with operating revenues equal to or exceeding operating expenditures. Total operating revenues are projected at approximately \$12.9 million, and total operating expenditures are projected at approximately \$11.7 million.

Revenue projections were developed conservatively to account for potential impacts to harbor access associated with the Murray Street Bridge Project, as well as continued variability related to the recreational salmon fishery. The budget does not assume increased activity levels or higher-than-historic usage in any major revenue category.

On the expenditure side, increases over the prior year are primarily attributable to negotiated labor agreement increases, pension-related costs, and identified operational needs. These increases are partially offset in the FY27 budget by reduced insurance premium costs, which are reflected across applicable programs.

The FY27 budget does not include an increase to marina fees.

#### Reserve Fund

The Port District's Reserve Policy establishes a target reserve balance equal to 25 percent of annual operating expenditures. While the District previously met this target, reserve balances were reduced in recent years due to one-time expenditures related to emergency repairs and capital needs.

The draft FY27 Budget includes a proposed contribution of \$218,000 to the Reserve Fund. This contribution reflects a measured approach to rebuilding reserves and represents continued progress toward restoration of the fund. The FY27 contribution will bring the reserve balance to approximately 70% of the target goal.

#### Capital Improvement Program (CIP)

The FY27 budget proposes total CIP funding of \$1.42 million, consisting of a \$1.0 million contribution from the Operating Budget and reassignment of \$420,000 in previously allocated CIP funds. No new CIP projects are proposed in FY27. This approach allows staff to focus on storm surge recovery planning, preparation for the 2026 offseason haulout of the dredge *Twin Lakes*, and completion of ongoing infrastructure improvements.

#### Dredge Fund

The FY27 budget includes a proposed contribution of \$120,000 to the Dredge Fund. Combined with projected carryover balances, this funding level is sufficient to address anticipated maintenance and equipment needs for the fiscal year.

Funding for the planned 2026 offseason haulout of the dredge *Twin Lakes*, is included in the Capital Improvement Program rather than the Dredge Fund.

#### Personnel Services and Pension Costs

Personnel Services costs in FY27 reflect negotiated labor agreement increases and pension-related costs. The FY27 budget proposes no net increase in staffing levels.

Projected employer pension expenses in FY27 are estimated at approximately \$1,095,906, representing approximately 21% of total Personnel Services expenditures. Of this amount, \$213,797 is allocated for an additional discretionary payment to CalPERS to proactively reduce the District's unfunded accrued liability (UAL)<sup>1</sup>. Based on current estimates, continuation of an additional discretionary payment of approximately \$200,000 annually (subject to annual budget adoption) over a 10-year period is projected to result in approximately \$1.2 million in direct savings to the District through reduced UAL-related pension costs.

#### Capital Outlay

---

<sup>1</sup> The Port District began making additional discretionary payments to proactively manage its UAL-related pension costs in FY24. Discretionary payment amounts totaled \$21,642 in FY24, \$20,000 in FY25, and \$20,000 in FY26.

Capital outlay proposed in the FY27 budget is limited to vehicle purchases intended to support Harbor Patrol operations and address anticipated access challenges associated with future Murray Street Bridge closures.

- **Patrol Truck – \$25,000**

Funding to replace an existing Harbor Patrol vehicle that is approaching the end of its useful service life.

- **Transit Van / Trolley – \$35,000**

Funding to support the potential purchase of a trolley or transit-style van to pilot a seasonal visitor shuttle program during the Murray Street Bridge closure. The intent of this program would be to provide convenient transportation between nearby hotels and the harbor during periods of reduced access, helping to maintain visitor activity and support harbor businesses. This proposed allocation does not commit the District to implementation of a specific service model. Rather, it provides funding flexibility to evaluate feasibility, partnerships, and operational considerations and to proceed with a pilot program if deemed beneficial.

#### Debt Service

The District's loan agreements require maintenance of a minimum debt service coverage ratio of 1.25. The FY27 budget meets this requirement and maintains coverage levels above the required threshold.

While additional borrowing related to long-term storm surge recovery efforts is anticipated in FY27, no financing action is proposed as part of budget adoption. Staff will return to the Commission with recommended financing options prior to any debt issuance.

#### Marina Fees

The FY27 budget is presented with no increase to marina fees. The 2025 Consumer Price Index (CPI) for the San Francisco-Oakland-Hayward area is 3%. The 10-year average CPI rate is 3.3%. The Port District's 10-year average rate increase over the same period is 3%. See Attachment A.

#### Fee Schedule

The draft FY27 fee schedule is incorporated into the draft budget document. While proposed fee schedule revisions are minimal, the associated impacts have been incorporated into FY27 revenue projections.

### **SUMMARY**

Staff is seeking direction from the Commission as outlined in the recommendation. Key discussion topics include:

- Does the Commission wish to include an increase to marina fees in the draft budget? If yes, what level of increase should be presented? (A 1% slip rent increase generates approximately \$50,000 in additional revenue, excluding dry storage.)
- CIP projects and funding sources, including Dredge Fund.
- Fee schedule revisions.

The draft FY27 budget will be amended as needed to incorporate direction received from the Commission. The FY27 budget will be presented for review and approval at a regular public session on Tuesday, February 24, 2026.

## PORT DIRECTOR'S BUDGET MESSAGE

Honorable Chair and Members of the Port Commission:

I am pleased to transmit to you the proposed budget and 5-Year Capital Improvement Plan (CIP) for the Santa Cruz Port District for the fiscal year beginning April 1, 2026, and ending March 31, 2027. The FY27 budget is presented as a balanced budget, where operating revenues are equal to or exceed operating expenditures.

The Port District's annual budget is a key planning tool that serves as a policy document, financial plan, and operating guide for the public and harbor constituents. It is intended to demonstrate the District's strategic direction, sources of funding, and planned expenditures for the upcoming fiscal year.

### Prior Year Summary

While FY26 was not marked by any significant disaster events resulting in new infrastructure damage, the year did include several large-scale unanticipated expenditures. These costs were primarily associated with the following:

- Launch Ramp Sink Hole Repair: \$975,000
- Emergency Trash Compactor Replacement: \$57,000
- Bucket Truck Replacement: \$30,000

Planning efforts also continued in FY26 to advance permanent repairs to storm surge–damaged infrastructure at G and X Docks. CalOES disaster recovery assistance has been made available, with 75% of eligible reconstruction costs reimbursable by CalOES and the remaining 25% funded by the Port District. In FY27, the Port District will evaluate and select a financing approach to facilitate implementation of the approximately \$13 million repair project.

The FY26 budget projected \$12,808,575 in revenues and \$11,577,789 in expenditures, inclusive of debt service and capital outlay. FY26 revenues are expected to exceed budgeted projections by approximately 12%, due largely to the receipt of approximately \$1.4 million in CalOES reimbursement related to storm surge recovery projects. Operating expenditures are projected to exceed budget by approximately 4.5%, primarily due to unanticipated sinkhole repair efforts. Expenditure overruns were partially offset by a favorable reduction in insurance premium costs, resulting in approximately \$300,000 in savings during the fiscal year. This reduction is anticipated to carry forward into FY27 to some extent.

### FY27 Budget Outlook / Highlights

The proposed FY27 budget has been structured to balance planned capital improvements and the anticipated haulout of the District's dredge, *Twin Lakes*, while continuing to effectively manage ongoing operations.

The FY27 proposed budget funds current operations within revenue projections that are approximately the same as FY26. While modest increases are projected for some user fees, revenue projections for some categories, including slip rent, tenant concession rent, parking, and boatyard services have been adjusted to account for potential ongoing impacts associated with the City of Santa Cruz's Murray Street Bridge Seismic

Retrofit and Barrier Replacement Project. Additionally, despite the potential for a more robust recreational salmon season, the FY27 budget maintains conservative revenue projections for launch fees and fuel sales.

The FY27 budget is presented with no increase to marina fees. Additional highlights are presented below:

- Operating revenues total \$12,886,325 (increase of 0.6% over prior year).
- Operating expenditures totals \$11,695,724 (increase of 1% over prior year).
- Capital Improvement Plan (CIP) contribution of \$1,420,000, consisting of the following:
  - \$1,000,000 contribution from the Operating Budget.
  - Reassignment of \$420,000 in previously allocated funds.

The Port District's Capital Improvement Plan aims to address critical infrastructure needs and ensure that the harbor's facilities meet operational, safety, and sustainability demands. As a result, the CIP proposes \$6,923,000 through FY31.

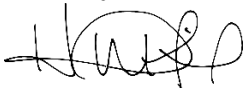

The FY27 CIP includes 8 previously identified projects, with no new projects introduced this year. These projects advance the Port District's priorities by:

- Prioritizing planning and haulout efforts for dredge, *Twin Lakes*.
- Continuing to invest in and upgrade harbor infrastructure, including parking lot paving, fuel dock equipment repair, and ongoing building maintenance.
- Replacement of critical utility infrastructure, like the G-Dock sanitary sewer lift station.

At its regular public session of March 28, 2023, the Port Commission elected to review the annual fee schedule as part of the budget process. The draft FY27 fee schedule is included as Item 11 (page 60).

As the Port District enters FY27, staff will continue to focus on maximizing available resources and containing costs while advancing recovery efforts and capital priorities. I would like to recognize and thank staff and management for their efforts in developing this year's budget. Please be assured that careful attention will be given to the administration of the FY27 budget to support the District's long-term financial stability and operational success.

Sincerely,

Holland MacLaurie  
Port Director

## POLICY STATEMENTS

### RESERVE POLICY

The Port District's Reserve Policy, adopted in FY16 (included on page 44), states the Port Commission's intent to preserve capital to finance three months of operations, and to fund future capital improvements at a minimum level to ensure the sustainability of harbor infrastructure. The reserve funding goal was first achieved in the FY19 budget and since policy adoption, annual contributions have been budgeted at the level needed to meet the reserve funding goal. The only exception has been the FY21 budget when a programmed reserve fund contribution was suspended in response to anticipated revenue reductions due to the COVID-19 pandemic.

In FY23, the Port Commission approved resolution 22-28, authorizing a one-time expenditure from the Reserve Fund in the amount of \$825,000 for the 2222 East Cliff Drive Deck Replacement Project. To restore the reserve fund to the desired funding level, the Commission determined that concession income derived from 2222 East Cliff Drive, Suites 200, 204, 208, 212, 216, and 220 will reimburse the Reserve Fund in an amount not less than \$117,857 per annum for 7 years, beginning in Fiscal Year 24.

Additionally, in FY25, the Port Commission approved resolution 25-03, authorizing a one-time expenditure from the Reserve Fund in the amount of \$1,500,000 for emergency dock repair in the north harbor, as a result of damage sustained from the December 23, 2024, storm surge event (actual expenses totaled \$1,072,988). In October 2025, the Commission directed that \$572,988 in CalOES reimbursement funds be used to partially replenish the Reserve Fund, consistent with the provisions of the District's Reserve Policy.

### INVESTMENT POLICY

In FY19, the Port Commission adopted an investment policy (included on page 46), which provides direction to the Port Director on the prudent and beneficial investment of District funds in accordance with laws governing the investment of local agency funds.

### UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

The Port District's Unfunded Accrued Liability Pension Management Policy, adopted in FY23 (included on page 52), is intended to strategically address existing and any future unfunded accrued liability (UAL) associated with the Port District's California Public Employees' Retirement System (CalPERS) pension plans. In accordance with guidance set forth in the policy, the Port District will pre-pay the entire UAL payment in the amount of approximately \$576,676 by July 31, 2026, and include an additional discretionary payment in the amount of \$213,797.

---

## POLICY STATEMENTS (CONT.)

The Port District's finances have historically been managed and reported in accordance with Generally Accepted Accounting Principles (GAAP), and with applicable statements published by the Government Accounting Standards Board (GASB). The Port District does not have specific written policies governing how the budget was to be created or administered. Budget administration and planning incorporates the following assumptions and practices first adopted in FY13:

1. **Balanced Budget**

The Port District operates with a balanced budget where operating revenues are equal to or exceed operating expenditures. Imbalances to the budget that result from increased expenses, decreased revenues, or a combination of the two, will require a budget revision.

2. **Fixed Assets**

Fixed (or capital) assets are tangible items individually valued at \$5,000 or more. Examples of fixed assets would be vehicles, equipment, boats, etc. For accounting purposes, fixed assets with an estimated useful life of at least two years after acquisitions are capitalized.

3. **Capital Improvements**

Capital improvements are physical assets, constructed or installed, with a useful life of ten years or longer and a cost of \$25,000 or more. Services that ultimately result in such physical assets are also budgeted as capital improvements (e.g., engineering design, architectural services, etc.).

4. **Depreciation**

Depreciation is reported annually as an operating expense (approximately \$2.1 million projected in FY26). The full amount of annual depreciation has not been included in the operating budget.

5. **Appropriations**

Appropriation balances may be transferred from one expenditure account to another within the operating budget without Port Commission approval. Capital improvement budgets are not considered to be part of any transferable appropriation balance. Any increase in total appropriations must be approved by the Port Commission.

6. **Reserves**

Reserve funds are not available for use to offset any expenditures that exceed total appropriations. Reserves may only be used as approved by the Port Commission.

7. **Use of Restricted/Unrestricted Net Assets**

When an expense is incurred for purposes for which both restricted and unrestricted net assets are available, restricted net assets are applied first.

8. **Staffing Levels**

The total number of full-time equivalent (FTE) employees shall be approved by the Port Commission.

## BUDGET USER GUIDE

General Fund (i.e., operating) revenues and expenses are presented in the Financial Summaries. FY24 Actual, FY25 Budget and Projected Actual, and FY26 Proposed Budget figures are presented for comparison. Terms used in the Financial Summaries and in the program budgets that follow are defined below.

### **Capital Outlay**

Expenses associated with acquiring capital (or "fixed") asset items individually valued at \$5,000 or more. Examples of fixed assets would be vehicles, equipment, boats, etc.

### **Charges for Services**

Revenues received as reimbursement to the Port District for the use of staff, equipment or other resources beyond the services included with other user fees or rents. Examples may include standby of marine rescue personnel for aquatics competitions, emergency response services and after-hours call back for fuel sales.

### **Debt Service**

Principal and interest payments on loans.

### **Fines**

Fines (or "bail amounts") for parking or other citations paid directly to the Port District.

### **Fuel Sales**

Receipts at the fuel pump.

### **Intergovernmental Revenues**

Funds received by the Port District from another government agency. Examples include dredging expenditure reimbursement received from the U.S. Army Corps of Engineers (USACE), contributions from the County of Santa Cruz for marine rescue services, and grants from state, federal or local government sources.

### **Other/Miscellaneous**

Revenues shown as Other/Miscellaneous include sales of key fobs, merchandise, proceeds from lien sales or disposal of surplus items, etc.

### **Personnel Services**

All costs associated with Port District staff compensation for regular and temporary employees, including payroll taxes, workers' compensation, unemployment insurance, pension, and employee benefits.

### **Rents**

Rents encompass payments received by the Port District from its land-based tenants. Revenues are classified as either base rent, percentage rents or utility chargebacks as applicable.

### **Services and Supplies**

Costs for all services provided to the Port District by contract or work order, utilities, insurance premiums, purchase of items not classified as fixed assets or "capital outlay," etc.

### **Transfers In/Out**

Transfers between Port District funds (e.g. allocations to the Dredge Fund may involve a transfer from the General Fund, or any combination of those and other funds).

### **User Fees**

Fees established by the Port Commission for various uses of Port District facilities including boat slips, dry storage, RV, and general parking.

## FY27 BUDGET SUMMARY

The FY27 budget is presented as a balanced budget with no increase to marina fees. As a balanced budget, operating revenues are equal to or exceed operating expenditures. A summary of the FY27 General Fund budget is presented below:

### FY27 REVENUES BY CATEGORY

USER FEES	\$8,029,825
RENTS	\$2,288,000
CHARGES FOR SERVICE	\$40,500
FINES	\$145,000
FUEL SALES	\$620,000
BOATYARD	\$344,500
INTERGOVERNMENTAL	\$680,000
GRANTS	\$88,500
OTHER / MISCELLANEOUS	\$650,000
<b>TOTAL:</b>	<b>\$12,886,325</b>

### FY27 EXPENDITURES BY CATEGORY

PERSONNEL SERVICES	\$5,319,286
SERVICES & SUPPLIES	\$5,074,920
CAPITAL OUTLAY	\$60,000
DEBT SERVICE	\$1,241,518
OTHER LIABILITIES	\$0
<b>TOTAL:</b>	<b>\$11,695,724</b>

## GENERAL FUND REVENUE BUDGET

The table below shows the distribution of estimated General Fund revenues for FY27, which total \$12,886,325. This represents an increase of approximately 0.6% over FY26 budgeted revenues.

	FY26 BUDGET	FY26 PROJECTION	FY27 BUDGET
User Fees	\$7,976,325	\$7,891,477	\$8,029,825
Rents	\$2,278,000	2,251,721	\$2,288,000
Charges for Service	\$38,500	\$42,873	\$40,500
Fines	\$115,000	\$147,609	\$145,000
Fuel Sales	\$590,000	\$633,876	\$620,000
Boatyard	\$332,250	\$381,165	\$344,500
Intergovernmental	\$575,000	\$680,000	\$680,000
Grants	\$88,500	\$1,492,652	\$88,500
Other / Misc.	\$815,000	\$825,760	\$650,000
<b>TOTAL:</b>	<b>\$12,808,575</b>	<b>\$14,347,133</b>	<b>\$12,886,325</b>

### FISCAL YEAR REVENUE HIGHLIGHTS

- Projected revenue for FY26 is anticipated to exceed budgeted figures by approximately 12% due to the following:
  - Increased dredge reimbursement from the Corps of approximately \$105,000.
  - Receipt of approximately \$1.4 million in CalOES reimbursement for December 2024 Storm.
  - Fuel Sales continue to outpace budget.
- FY27 Budget includes \$630,000 in reimbursement from the U.S. Army Corps of Engineers.<sup>1</sup>
- FY27 revenue projections for some categories, including slip rent, tenant concession rent, parking, and boatyard services have been adjusted to account for potential impacts associated with the City of Santa Cruz’s Murray Street Bridge Seismic Retrofit and Barrier Replacement Project.
- FY27 Budget includes \$248,750 in visitor berthing revenue, which represents actual reimbursement funds from the City of Santa Cruz (Murray Street Bridge Project).
- FY27 Budget includes \$145,000 in citation revenue, reflecting a recent citation fee adjustment.

<sup>1</sup> Uncertainty regarding the availability of funds does exist, however the potential for not receiving the annual reimbursement is anticipated to be minimal.

FY27 OPERATING REVENUES BY CATEGORY

## GENERAL FUND EXPENDITURE BUDGET

The table below shows the distribution of estimated General Fund expenditures for FY27, which total \$11,695,724. This represents an increase of approximately 1% over FY26 budgeted expenditures.

	FY26 BUDGET	FY26 PROJECTION	FY27 BUDGET
Personnel Services	\$5,129,497	\$4,573,524	\$5,319,286
Services & Supplies	5,167,742	6,254,711	5,074,920
Capital Outlay	7,000	7,000	60,000
Debt Service Payments	1,273,550	1,273,550	1,241,518
Other Liabilities	0	0	0
<b>TOTAL:</b>	<b>\$11,577,789</b>	<b>\$12,108,785</b>	<b>\$11,695,724</b>

### FISCAL YEAR EXPENDITURE HIGHLIGHTS

- Projected salary and benefit costs (Personnel Services) for FY26 will be less than budget by approximately 10% due to conservative budgeting assumptions and the capitalization of eligible labor costs to CIP-funded projects.
- Projected Services and Supplies costs for FY26 will exceed budget by approximately 22%, due to unanticipated costs associated with the launch ramp sinkhole repair, the purchase of a replacement trash compactor, and the purchase of a replacement bucket truck.
- Personnel Services costs are anticipated to increase in FY27 by approximately 3.6% due to negotiated contract increases and a significant additional discretionary payment toward CalPERS-related pension costs (see below).
- Projected employer pension expenses in FY27 will total approximately \$1,095,906, which represents 21% of the anticipated Personnel Services expenditures.
  - Of that pension expense total, \$213,797 is allocated for an additional discretionary payment to CalPERS to assist in proactively reducing the District’s unfunded accrued liability (UAL).
  - It is estimated that making an additional discretionary payment of approximately \$200,000 annually over a 10-year period will result in approximately \$1.2 million in savings in CalPERS unfunded accrued liability–related pension costs.
- FY27 Services and Supplies costs are proposed at a level that is approximately 1.1% lower than FY26. This reduction is primarily related to decreasing insurance premiums and interest expenses.
- FY27 Capital Outlay costs include:
  - \$25,000 – Harbor Patrol Truck (Harbor Patrol)
  - \$35,000 – Trolley or Transit Van (Parking)

The expenditure summary in FY27 (and previous budget years) does not include transfers to the Dredge Fund. Fund transfers are included in the budget as Non-Operating Expenditures. In FY27, the budgeted fund transfer to the Dredge Fund is \$120,000.

FY27 OPERATING EXPENDITURES BY CATEGORY

## EXPENDITURES BY DEPARTMENT AND PROGRAM

<b>Total Operating Budget</b>	<b>\$ 11,651,330</b>	<b>\$ 10,297,239</b>	<b>\$ 10,829,231</b>	<b>\$ 10,394,206</b>

Note: Interest expense for debt service is included in Program 390-Capital Projects above.

## DEBT SERVICE

The tables below detail the repayment of revenue bond issues and other long-term financing utilized by the Port District. FY27 debt service payments (including principal and interest) total \$1,460,599, which is \$73,322 less than FY26. A higher portion of the annual payment is being applied to the principal balance in FY27.

LONG TERM DEBT BALANCES						
	Maturity Date	Interest Rate	Balance 3/31/25	Principal Reductions	Balance 3/31/2026	Current Portion
2013A Bonds	2/1/2030	3.090%	\$ 5,082,701	\$ 953,580	\$ 4,129,121	\$ 983,275
2013B Bonds (Taxable)	11/1/2026	4.740%	99,656	84,894	14,763	14,763
2018A Rev. Obligation	8/1/2033	3.500%	1,096,438	112,851	983,587	116,835

2018B Rev. Obligation	137,369	137,369	137,369	137,370	137,369
497 Lake Avenue	54,425	54,425	54,425	54,425	54,425
<b>Total Annual Debt Service</b>	<b>\$ 1,460,599</b>	<b>\$ 1,445,311</b>	<b>\$ 1,445,311</b>	<b>\$ 1,445,312</b>	<b>\$ 342,042</b>

### PURPOSE OF EXISTING DEBT:

- 2013A Bonds:** Structured to finance (i) the Refunding of Prior Tax-Exempt Obligations, (ii) the cost of a new dredge, (iii) a surety bond for a debt service reserve fund (the “Reserve Fund”), and (iv) all related costs of issuance.
- 2013B Bonds:** Structured to finance (i) the Refunding of the Prior Taxable Obligations, (ii) the outstanding balance of the District’s OE3 pension obligation, and (iii) all related costs of issuance.
- 2018A Rev. Obligation:** Structured to finance (i) the Santa Cruz Harbor Pile Replacement Project
- 2018B Rev. Obligation:** Structured to finance (i) the Santa Cruz Harbor Seawall Replacement Project
- 497 Lake Avenue** Structured to finance (i) the purchase of a commercial property carrying a professional administrative zoning status located at 497 Lake Avenue, Santa Cruz, CA.

### DEBT SERVICE (CONT.)

The table below illustrates the District’s principal and interest payments for the period FY27 to FY35. Although debt service was previously projected to decline significantly beginning in FY31, additional borrowing planned in FY27 to support long-term storm surge recovery efforts (G and X Dock Replacement), is expected to increase debt service obligations in subsequent years. Staff will return to the Commission with a recommended financing structure prior to the issuance of any new debt.

The Port District is required to maintain adequate coverage for debt service for the life of its Series 2013 and Series 2018 loans. Debt Service Ratio (DSR) covenants required the District to prescribe and collect fees and charges for services at least equal to 125% of its debt service after operating and maintenance expenses for the fiscal year. Debt Service Coverage Ratios (DSRs) for FY24 and FY25 (audited), FY26 (budgeted), FY26 (projected) and FY27 (budget) are presented below and provided in more detail in Attachment A:

#### DEBT SERVICE COVERAGE PROJECTION

	FY24 <i>(Audited)</i>	FY25 <i>(Audited)</i>	FY26 <i>(Budget)</i>	FY26 <i>(Projected)</i>	FY27 <i>(Budget)</i>
Debt Service Coverage Ratio	<b>2.39X</b>	<b>1.54X</b>	<b>1.63X</b>	<b>2.29X</b>	<b>1.71X</b>
Required Ratio	1.25X	1.25X	1.25X	1.25X	1.25X

## FUND BALANCE PROJECTIONS

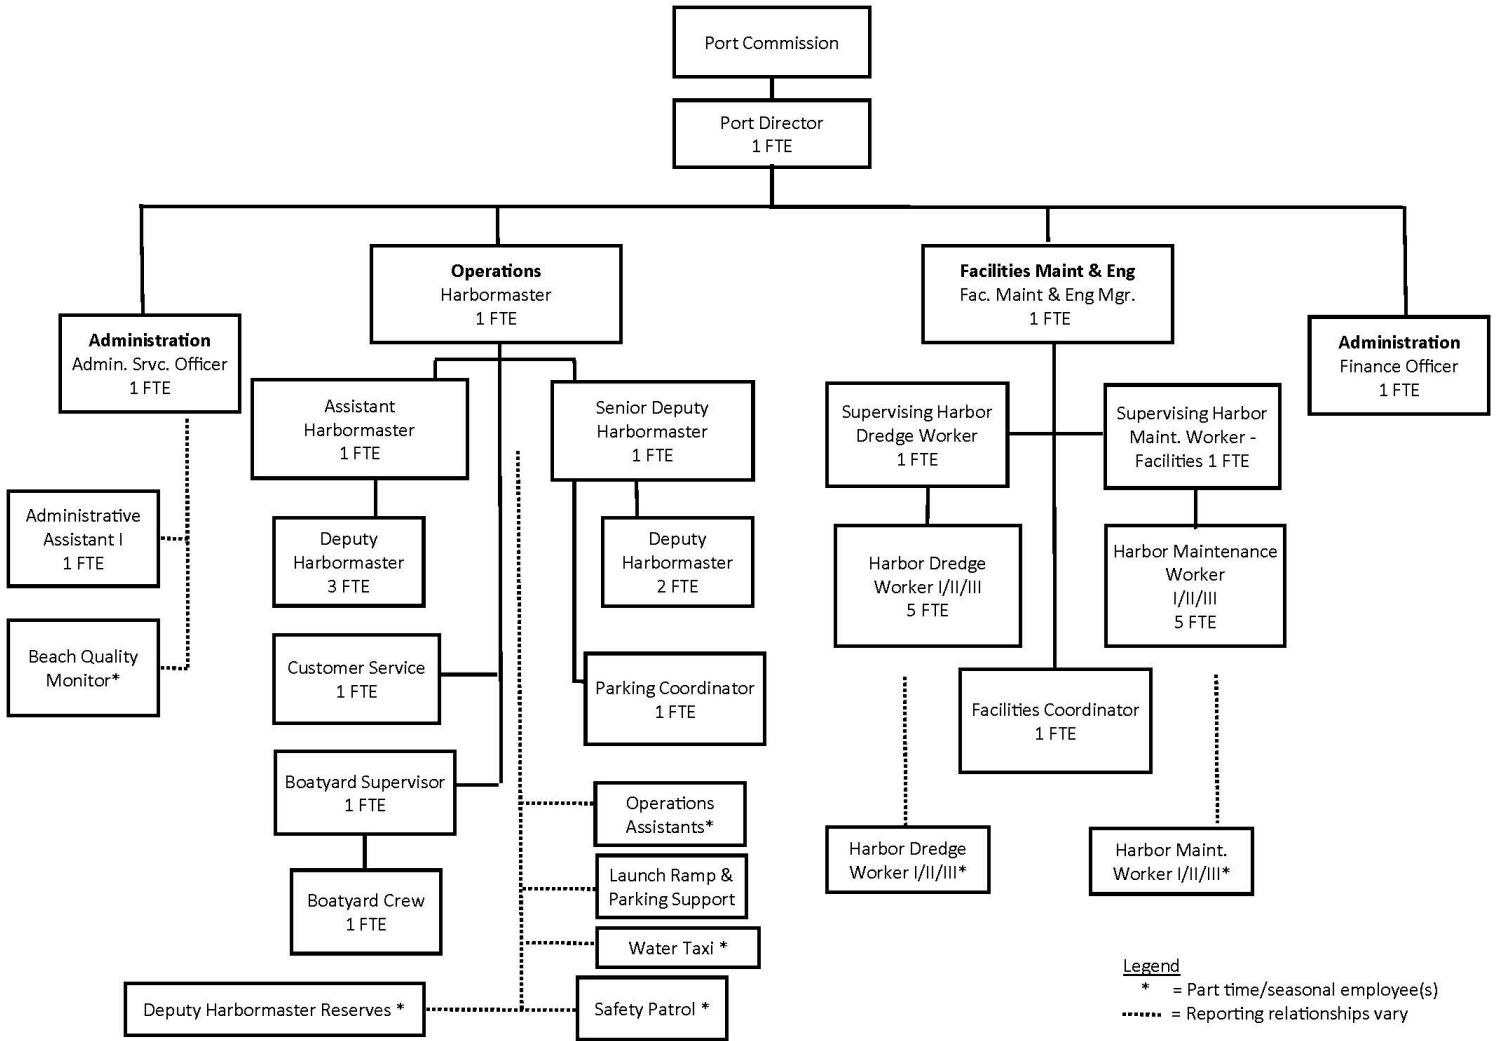

Listed below are descriptions of the Port District's major funds and projected balances as of March 31, 2026.

Note: The FY27 Budget proposes establishment of a new fund to begin setting aside resources for the 497 Lake balloon payment due in FY27, currently estimated at approximately \$475,000.

<b>General Fund</b>	The General Fund is the primary operating fund of the Port District. This fund is used to account for all financial transactions and resources, except those required or requested in another fund. The projected General Fund balance as of March 31, 2026, is estimated to total \$23,802,667.
<b>Dredge Fund</b>	The Dredge Fund is the primary funding source for identified priorities and equipment replacement / repair needs for the dredge operation. The projected Dredge Fund balance as of March 31, 2026, is estimated to total \$133,384.
<b>Reserve Fund</b>	The Reserve Fund accounts for resources restricted to expenditures for specified purposes (i.e., unforeseen emergencies or extraordinary circumstances). The Port District strives to hold in reserve an amount equal to 25% of the District's annual operating expenses. The projected Reserve Fund balance as of March 31, 2026, is estimated to total \$1,611,776 (\$825,000 draw on reserves was utilized in FY23 for emergency deck repairs at 2222 East Cliff Drive and \$1,072,988 draw on reserves was utilized in FY25 for emergency storm surge recovery efforts, of which, \$572,988 was replenished).
<b>Capital Improvement Fund</b>	The Capital Improvement Fund accounts for all financial resources used for the acquisition or construction of major capital improvement projects. The projected Capital Improvement Fund balance as of March 31, 2026, is estimated to total \$5,706,039.
<b>Election Fund</b>	The Election Fund is the primary funding source for biennial Port Commission election expenses. The projected Election Fund balance as of March 31, 2026, is estimated to total \$38,449. Due to significant election expense savings associated with the transition from at-large to district-based elections, a lower balance can be maintained compared to prior fiscal years.
<b>PNC Reserve Fund</b>	The PNC Reserve Fund accounts for restricted funds held as a condition of the District's debt refunding efforts completed in FY14. The projected PNC Reserve Fund balance as of March 31, 2026, is estimated to total 1,094,374.
<b>497 Lake Avenue Fund (New Fund in FY27)</b>	The fund is proposed for establishment in FY27 with an initial deposit of \$25,000.

### PERSONNEL PROFILE

The Port District’s organization chart for FY27 is presented below. Positions shown with an associated FTE (full-time equivalent) number are regular, permanent positions assigned to each department. Positions shown with an asterisk and no FTE number are part-time temporary and/or seasonal workers.

**Legend**  
 \* = Part time/seasonal employee(s)  
 ..... = Reporting relationships vary

30 FTE Total

### FTE EMPLOYEE COUNTY BY FISCAL YEAR

FY20	FY21	FY22	FY23	FY24	FY25	FY26	FY27
29	29	29	28	29	29	30	30

### PERSONNEL PROFILE (CONT.)

The table below shows year-over-year salary and benefit cost comparisons for all employees (regular FTE and temporary/seasonal). Overall, Personnel Services costs in FY26 are approximately 6% higher than FY25. This increase is primarily due to negotiated contract increases and CalPERS-related pension costs.

#### SALARIES & BENEFITS BUDGET

	FY26 BUDGET	FY26 PROJECTION	FY27 BUDGET
Administrative Services	\$951,588	\$798,609	\$957,405
Operations <sup>2</sup>	1,805,389	1,562,981	1,832,333

<sup>4</sup> The Dredging Operation is shown separately for additional clarity, but is overseen by Facilities Maintenance and Engineering.

## DEPARTMENTS AND PROGRAMS

### ADMINISTRATIVE SERVICES DEPARTMENT

The Administrative Services Department is comprised of the following programs:

- Administration
- Finance and Purchasing
- Property Management
- Environmental and Permitting
- Port Commission Support

The table below summarizes the distribution of expenditures by category and program for the Administrative Services Department. Individual program details are also provided.

#### EXPENDITURE SUMMARY

Expenditure by Category	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$829,950	\$951,587	\$798,609	\$957,405	0.6%
Services & Supplies	3,120,327	1,606,039	1,668,281	1,571,601	-2.1%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$3,950,277</b>	<b>\$2,557,626</b>	<b>\$2,466,890</b>	<b>\$2,529,006</b>	<b>-1.1%</b>

Expenditure by Program	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Administration	\$2,448,869	\$967,272	\$1,025,532	\$975,386	0.8%
Finance & Purchasing	235,988	259,374	233,451	270,032	4.1%
Property Mgmt.	1,121,469	1,070,096	982,380	1,030,076	-3.7%
Enviro & Permitting	83,284	180,654	158,320	180,343	-0.2%
Port Comm. Support	60,667	80,231	67,208	73,170	-8.8%
<b>Total Expenditures</b>	<b>\$3,950,277</b>	<b>\$2,557,626</b>	<b>\$2,466,890</b>	<b>\$2,529,006</b>	<b>-1.1%</b>

#### PROGRAM HIGHLIGHTS:

Despite unanticipated 2024 winter storm expenses totaling \$123,627, projected FY26 Services and Supplies costs are expected to exceed budget by only \$62,242, or approximately 3.8%

FY27 Services and Supplies within the Administrative Services Department are anticipated to decrease by 2.1% over the prior fiscal year. This decrease is due to an anticipated reduction in insurance premium costs, of which approximately 35% of the total estimated premium is paid from the Property Management program.

## ADMINISTRATION

Administration encompasses the daily oversight of all Port District operations and programs, long-term planning, budget preparation, human resources and benefits management, website maintenance, customer service, public outreach and promotional activities, coordination with local and regional governments and organizations, and various activities undertaken by the Port Director and Administrative Services staff.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$515,257	\$562,252	\$476,347	\$573,370	2.0%
Services & Supplies	1,933,612	\$405,020	549,185	402,015	-0.7%
Capital Outlay	0	0	0	0	0.0%
<b>Total Expenditures</b>	<b>\$2,448,869</b>	<b>\$967,272</b>	<b>\$1,025,532</b>	<b>\$975,386</b>	<b>0.8%</b>

## FINANCE & PURCHASING

Finance and purchasing activities include accounting for all Port District assets, revenues, and expenses, administering payroll using an outside payroll processing contractor, preparing budget monitoring and quarterly reports, contracting for services, preparing for, and participating in annual outside audits of Port District financial statements, performing tenant-related audits, and tracking grant-related expenditures and reimbursements. Finance and purchasing staff perform ongoing work to develop and refine purchasing procedures and financial reporting for transparency purposes.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$182,332	\$203,974	\$180,507	\$203,632	-0.2%
Services & Supplies	53,656	\$55,400	\$52,944	\$66,400	19.9%
Capital Outlay	0				
<b>Total Expenditures</b>	<b>\$235,988</b>	<b>\$259,374</b>	<b>\$233,451</b>	<b>\$270,032</b>	<b>4.1%</b>

## PROPERTY MANAGEMENT

Property management activities include serving as the primary contact for landside tenants, negotiating new and revised leases and easements, advertising space available for rent, monitoring rental payments and applying rent adjustments. Utilities, garbage service and sanitary district charges for the District's rental properties are included as expenses in this program. Revenues for utility, garbage and sanitary district charges paid by tenants through the Port District are included in Rents. Utility charges paid directly by the tenant to the service provider are not included in the operating budget.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$14,154	\$35,577	\$20,743	\$37,990	6.8%
Services & Supplies	1,107,315	\$1,034,519	961,637	992,086	-4.1%
Capital Outlay	0	0	0	0	0.0%
<b>Total Expenditures</b>	<b>\$1,121,469</b>	<b>\$1,070,096</b>	<b>\$982,380</b>	<b>\$1,030,076</b>	<b>-3.7%</b>

## ENVIRONMENTAL & PERMITTING

The environmental and permitting work includes managing the beach quality monitoring and hydrogen sulfide protocol during dredging activities, negotiating new permits and amendments with the Army Corps of Engineers, US Environmental Protection Agency, California Coastal Commission, Regional Water Quality Control Board, Monterey Bay National Marine Sanctuary, Monterey Bay Unified Air Pollution Control District and other agencies for dredging and disposal operations and permitting for other construction activities, stormwater management and environmental programs. Environmental and permitting oversees the harbor's Clean Marina Program.

<b>Expenditure</b>	<b>FY25 Actual</b>	<b>FY26 Budget</b>	<b>FY26 Projection</b>	<b>FY27 Budget</b>	<b>% Change</b>
Personnel Services	\$61,858	\$75,204	\$57,205	\$74,893	-0.4%
Services & Supplies	21,427	\$105,450	101,115	105,450	0.0%
Capital Outlay	0	0	0	0	
<b>Total Expenditures</b>	<b>\$83,284</b>	<b>\$180,654</b>	<b>\$158,320</b>	<b>\$180,343</b>	<b>-0.2%</b>

## PORT COMMISSION SUPPORT

Activities that provide staff support for the Port Commission include developing meeting agendas, staff reports and minutes; coordinating with the County Elections Department and ensuring compliance with the Brown Act; intergovernmental relations and adopted Port Commission policies and procedures.

<b>Expenditure</b>	<b>FY25 Actual</b>	<b>FY26 Budget</b>	<b>FY26 Projection</b>	<b>FY27 Budget</b>	<b>% Change</b>
Personnel Services	\$56,349	\$74,581	\$63,808	\$67,520	-9.5%
Services & Supplies	4,318	\$5,650	3,400	5,650	0.0%
Capital Outlay	0	0	0	0	
<b>Total Expenditures</b>	<b>\$60,667</b>	<b>\$80,231</b>	<b>\$67,208</b>	<b>\$73,170</b>	<b>-8.8%</b>

## DEPARTMENTS AND PROGRAMS

### OPERATIONS DEPARTMENT

The Operations Department is comprised of the following programs:

- Harbor Patrol
- Marina Management
- Rescue Services
- Parking Services
- Events
- Fuel Services
- Boatyard

The table below summarizes the distribution of expenditures by category and program for the Operations Department. Individual program details are also provided.

#### EXPENDITURE SUMMARY

Expenditure by Category	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$1,919,466	\$2,125,683	\$1,800,897	\$2,158,443	1.5%
Services & Supplies	1,030,964	\$1,039,107	1,108,031	1,072,860	3.2%
Capital Outlay	0		0		-
<b>Total Expenditures</b>	<b>\$2,950,430</b>	<b>\$3,164,790</b>	<b>\$2,908,928</b>	<b>\$3,231,304</b>	<b>2.1%</b>

Expenditure by Program	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Harbor Patrol	\$844,388	\$931,668	\$806,217	\$886,478	-4.9%
Marina Management	683,660	670,083	607,066	746,798	11.4%
Rescue Services	124,831	158,775	123,355	157,602	-0.7%
Parking Services	425,578	416,209	391,049	419,277	0.7%
Events	21,363	30,938	28,686	31,720	2.5%
Fuel Services	454,865	511,340	587,455	534,776	4.6%
Boatyard	395,745	445,777	365,100	454,652	2.0%
<b>Total Expenditures</b>	<b>\$2,950,430</b>	<b>\$3,164,790</b>	<b>\$2,908,928</b>	<b>\$3,231,304</b>	<b>2.1%</b>

#### PROGRAM HIGHLIGHTS:

FY27 Personnel Services costs are anticipated to increase primarily within the Marina Management program, reflecting a reallocation of labor as Deputy Harbormasters now provide front desk coverage on weekends.

FY27 Services and Supplies expenditures within the Operations Department are projected to increase by approximately 3.2% over the prior fiscal year, driven largely by increased fuel-related expenses.

## HARBOR PATROL

Harbor Patrol, with limited assistance from contract operators, currently provides security and enforcement of Port District ordinances, California Harbors and Navigation Code, and Vehicle Code. Deputy Harbormasters provide site security and traffic control, prepare incident reports, and perform vessel search and rescue services, and a wide range of program management and customer services.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$692,601	\$791,537	\$684,323	\$749,748	-5.3%
Services & Supplies	151,787	\$140,131	121,894	136,730	-2.4%
Capital Outlay	0	24,500	\$0	0	-
<b>Total Expenditures</b>	<b>\$844,388</b>	<b>\$931,668</b>	<b>\$806,217</b>	<b>\$886,478</b>	<b>-4.9%</b>

## MARINA MANAGEMENT

Deputy Harbormaster and Operations staff manage and assigns berths and dry storage space, monitor docks and dry storage areas for safety, staff the front counter 362 days per year, administer invoicing and payment processes, monitor vessel use and confirm current registration, perform vessel serviceability checks and electrolysis checks on an as needed basis, manage the waiting list, develop delinquency reports, conduct lien sales, and provide customer service.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$613,972	\$609,775	\$543,686	\$684,692	12.3%
Services & Supplies	69,688	\$60,308	63,381	62,106	3.0%
Capital Outlay	0	0	0	0	0.0%
<b>Total Expenditures</b>	<b>\$683,660</b>	<b>\$670,083</b>	<b>\$607,066</b>	<b>\$746,798</b>	<b>11.4%</b>

## RESCUE SERVICES

Rescue services are provided by Harbor Patrol using one of two patrol vessels (Zodiac patrol vessel *Scout* and the 36' Moose patrol vessel, *PB Kinnamon*). Rescues are typically conducted under the Coastal Incident Response Plan (CIRP) in coordination with City, County and State resources.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$57,369	\$80,517	\$60,105	\$82,546	2.5%
Services & Supplies	67,462	\$78,258	63,250	75,056	-4.1%
Capital Outlay	0	0	0	0	0.0%
<b>Total Expenditures</b>	<b>\$124,831</b>	<b>\$158,775</b>	<b>\$123,355</b>	<b>\$157,602</b>	<b>-0.7%</b>

## PARKING SERVICES

Parking services encompass oversight and daily maintenance of the automated concession parking lot equipment serving 2222 East Cliff Drive, the Crow's Nest and its Beach Market, Café El Palomar, the SUP Shack, and Harbor Beach; beach parking permit sales, slip licensee and employee parking permits, launch ramp parking, and permits, shuttle van and water taxi services, and parking ordinance enforcement. The Parking Coordinator and Harbor Patrol provide parking services with assistance from part-time/temporary staff.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$241,401	\$244,309	\$215,280	\$245,577	0.5%
Services & Supplies	184,176	\$171,900	175,769	173,700	1.0%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$425,578</b>	<b>\$416,209</b>	<b>\$391,049</b>	<b>\$419,277</b>	<b>0.7%</b>

## EVENTS

This program is jointly managed by Operations and Administrative Services, and comprises permitting, transportation and security for special events hosted by the Port District, the Crow's Nest Thursday night beach barbecues, beach volleyball tournaments, regattas, and other special events.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$19,561	\$27,938	\$25,244	\$28,720	2.8%
Services & Supplies	1,802	\$3,000	3,442	3,000	0.0%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$21,363</b>	<b>\$30,938</b>	<b>\$28,686</b>	<b>\$31,720</b>	<b>2.5%</b>

## FUEL SERVICES

The Port District took over operation and maintenance of the harbor's fuel dock in July 2010. The program is managed by Deputy Harbormaster staff. Recurring program costs include staff, fuel purchases, taxes, storage tank fees and maintenance, inspections, insurance, credit card fees, regulatory compliance and spill prevention equipment and supplies.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$36,622	\$51,313	\$34,343	\$41,049	-20.0%
Services & Supplies	418,243	\$460,027	553,112	493,727	7.3%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$454,865</b>	<b>\$511,340</b>	<b>\$587,455</b>	<b>\$534,776</b>	<b>4.6%</b>

**BOATYARD**

The Port District took over staffing, operation, and maintenance of the boatyard in 2014. Recurring program costs include personnel, spill prevention equipment, supplies, stormwater filtration costs, and equipment maintenance.

<b>Expenditure</b>	<b>FY25 Actual</b>	<b>FY26 Budget</b>	<b>FY26 Projection</b>	<b>FY27 Budget</b>	<b>% Change</b>
Personnel Services	\$260,421	\$320,294	\$237,917	\$326,110	1.8%
Services & Supplies	135,324	\$125,483	127,183	128,542	2.4%
Capital Outlay	7,000	0	0		-
<b>Total Expenditures</b>	<b>\$395,745</b>	<b>\$445,777</b>	<b>\$365,100</b>	<b>\$454,652</b>	<b>2.0%</b>

## DEPARTMENTS AND PROGRAMS

## FACILITIES MAINTENANCE &amp; ENGINEERING DEPARTMENT

The Facilities Maintenance and Engineering Department is comprised of the following programs:

- Docks, Pier, and Marine Structures (DP&M)
- Utilities Maintenance
- Building Maintenance
- Grounds Maintenance
- Aeration Program
- Fishery Support
- Capital Projects
- Dredge Operations

The table below summarizes the distribution of expenditures by category and program for the Facilities Maintenance and Engineering Department. Individual program details are also provided.

## EXPENDITURE SUMMARY

Expenditure by Category	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$2,107,038	\$2,052,226	\$1,974,018	\$2,203,437	7.4%
Services & Supplies	2,643,585	\$2,522,596	3,478,400	2,430,459	-3.7%
Capital Outlay	177,577	188,000	173,007	120,000	-36.2%
<b>Total Expenditures</b>	<b>\$4,750,623</b>	<b>\$4,574,822</b>	<b>\$5,452,417</b>	<b>\$4,633,896</b>	<b>1.3%</b>

## PROGRAM HIGHLIGHTS:

FY27 Services and Supplies expenditures within the Facilities Maintenance and Engineering Department are anticipated to increase modestly over the prior fiscal year. This change reflects a combination of reduced insurance premium costs (of which approximately 39 percent of the total estimated premium is allocated to the Docks, Piers, and Marine Structures program) and increased utility-related expenses, including water, refuse, and electricity.

## DOCKS, PIERS, AND MARINE STRUCTURES

Activities in this program include maintenance and repairs of existing docks and piers; routine maintenance of piles and appurtenant equipment; maintenance of floats, seawalls, cranes, jetties, gates, brow piers and gangways.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$159,557	\$182,907	\$148,517	\$205,122	12.1%
Services & Supplies	713,546	\$751,162	1,517,348	685,525	-8.7%
Capital Outlay	33,873	\$0	\$0	0	-
<b>Total Expenditures</b>	<b>\$873,103</b>	<b>\$934,069</b>	<b>\$1,665,866</b>	<b>\$890,646</b>	<b>-4.6%</b>

## UTILITIES MAINTENANCE

Utility maintenance includes repairs to landside and dock electrical and plumbing facilities; operation and maintenance of seven sanitary sewer lift stations; maintenance of parking lot, dock, and storage area lighting; and storm drain inspections and cleaning.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$88,734	\$83,504	\$92,100	\$90,560	8.5%
Services & Supplies	28,787	\$22,500	59,806	25,500	13.3%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$117,521</b>	<b>\$106,004</b>	<b>\$151,906</b>	<b>\$116,060</b>	<b>9.5%</b>

## BUILDING MAINTENANCE

There are 26 buildings housing over 40 tenants, harbor administration, operations and maintenance functions, restrooms and miscellaneous storage facilities throughout the harbor. Activities include the full spectrum of repairs, paint, carpet, roofing, HVAC, elevator service, alarm maintenance and cleaning/custodial services.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$115,712	\$154,859	\$128,877	\$162,268	4.8%
Services & Supplies	375,425	\$358,347	374,437	356,542	-0.5%
Capital Outlay	0	45,000	\$0	45,000	-
<b>Total Expenditures</b>	<b>\$491,137</b>	<b>\$513,206</b>	<b>\$503,314</b>	<b>\$518,810</b>	<b>1.1%</b>

## GROUNDS MAINTENANCE

Harbor property encompasses approximately nine landside acres that attract thousands of visitors each year. Activities include maintenance of landscaped areas, parking lots and meters, signs, fences, walkways, and commemorative plazas; litter collection, control, and transport; recycling services; pressure washing of docks, street sweeping, and fish table cleaning and maintenance.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$603,159	\$464,943	\$508,867	\$544,915	17.2%
Services & Supplies	567,378	\$422,750	594,112	447,250	5.8%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$1,170,537</b>	<b>\$887,693</b>	<b>\$1,102,980</b>	<b>\$992,165</b>	<b>11.8%</b>

## AERATION PROGRAM

This program involves the annual installation of 24 electric powered aerators mounted in strategic locations throughout the harbor to respond to high fish count and low dissolved oxygen events. The harbor had experienced devastating fish kills, primarily schools of anchovies, in years past, requiring costly cleanup and repair operations. The current aeration program is a joint effort between the Facilities Maintenance and Engineering Department and the Harbor Patrol to monitor fish populations and dissolved oxygen levels, and be prepared to respond quickly to ameliorate poor conditions and prevent another kill.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$70,266	\$31,732	\$22,894	\$34,574	9.0%
Services & Supplies	41,419	\$51,000	27,526	46,000	-9.8%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$111,685</b>	<b>\$82,732</b>	<b>\$50,420</b>	<b>\$80,574</b>	<b>-2.6%</b>

## FISHERY SUPPORT

The commercial fishing fleet, resident fish buyer and the facilities that support their activities are supported by the Port District. The FY25 budget includes funding for maintenance of the hoists, working with commercial fishermen on landings administration, and for updating policies associated with the fishery.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$6,845	\$15,165	\$4,196	\$15,792	4.1%
Services & Supplies	0	\$1,500	\$500	\$1,500	0.0%
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$6,845</b>	<b>\$16,665</b>	<b>\$4,696</b>	<b>\$17,292</b>	<b>3.8%</b>

## CAPITAL PROJECTS

This program provides staffing to develop and manage the Port District's Capital Improvement Program. Work in this section may involve preliminary engineering, such as site inspections or concept development, grant applications, and other work in support of capital projects. Capital projects recommended for FY27 are detailed in the Capital Improvement Program later in this report.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$196	\$5,527	\$1,525	\$765	-86.2%
Services & Supplies	296,226	\$261,721	260,350	220,430	-15.8% <sup>5</sup>
Capital Outlay	0	0	0	0	-
<b>Total Expenditures</b>	<b>\$296,422</b>	<b>\$267,248</b>	<b>\$261,875</b>	<b>\$221,195</b>	<b>-17.2%</b>

## DREDGING OPERATIONS

Activities involve annual dredging of the federal entrance channel and selected areas of the inner-harbor, primarily the north harbor where sedimentation from Arana Gulch most impacts depths. Also included are maintenance and repairs to the dredges *Twin Lakes* and *Squirt* and other equipment required to perform dredging (e.g., crane, submersible pump, dozer, forklift, pipe welder, and anchors). The U.S. Army Corps of Engineers provides support for the dredging by reimbursing 35% of the average operations and maintenance costs. The Port District is currently being reimbursed \$630,000/year.

Expenditure	FY25 Actual	FY26 Budget	FY26 Projection	FY27 Budget	% Change
Personnel Services	\$1,090,930	\$1,113,590	\$1,067,041	\$1,149,441	5.6%
Services & Supplies	592,443	\$653,616	644,320	647,712	5.2%
Capital Outlay	116,119	152,000	173,007	120,000	-
Transfers Out	-116,119	-152,000	-173,007	-120,000	-
<b>Total Expenditures</b>	<b>\$1,683,372</b>	<b>\$1,767,206</b>	<b>\$1,711,361</b>	<b>\$1,797,153</b>	<b>5.5%</b>

<sup>5</sup> Decrease is attributed to a reduction in interest expense in the amount of approximately \$40,000.

## DREDGE FUND

The table below details identified priorities and equipment replacement / repair needs for the dredge operation in FY27. A total contribution to the Dredge Fund in the amount of \$120,000 is proposed for FY27.

Note: The planned 2026 offseason haulout of the dredge, *Twin Lakes*, is funded through the Capital Improvement Program and is not included in the Dredge Fund.

ASSET	ITEM	IDENTIFIED NEED
<b>TWIN LAKES</b>	Spare Parts Replacement	20,000
	Standby Generator Replacement ( <i>partial set aside</i> )	10,000
	Skagit Winch Rebuild ( <i>partial set aside</i> )	10,000
		<b>\$50,000</b>
<b>MISCELLANEOUS</b>	Unspecified Allowance	80,000
		<b>\$80,000</b>
<b>Total FY27 Dredge Fund Contribution:</b>		<b>\$120,000</b>

At the conclusion of FY26, the remaining Dredge Fund balance is anticipated to total approximately \$133,384, and is allocated as follows:

- Snorkel Elbow Replacement (*Twin Lakes*): \$14,016
- Christmas Tree Upper End Replacement (*Twin Lakes*): \$30,000
- Standby Generator Replacement (*Twin Lakes*): \$10,000
- Skagit Winch Rebuild Set Aside (*Miscellaneous*): \$40,140
- Steel Dredge Pipeline (Floating Pipe): \$25,000
- Unspecified Allowance (*Miscellaneous*): \$14,228<sup>6</sup>

### Historical Dredge Fund Contributions

FY21	FY22	FY23	FY24	FY25	FY26	FY27
\$416,091	\$272,762	\$191,151	\$143,000	\$152,000	\$145,000	\$120,000

<sup>6</sup> Small balances that remain after a project has been completed / closed out are absorbed into the Unspecified Allowance.

---

### CAPITAL OUTLAY

The following capital outlay items are included in the FY27 budget:

DEPARTMENT	REQUEST	IDENTIFIED NEED
<b>Harbor Patrol</b>	Used Patrol Vehicle	\$25,000
<b>Parking</b>	Used Trolley / Transit Vehicle	\$35,000
		<hr/>
	<b>Total:</b>	<b>\$60,000</b>

SANTA CRUZ PORT DISTRICT

FIVE-YEAR

**CAPITAL IMPROVEMENT PLAN**

FISCAL YEAR 2027 - FISCAL YEAR 2031

## CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program proposes \$1,000,000 in new funding for capital projects in FY27 and reassignment of \$420,000 in existing CIP funds in support of identified projects.

The proposed 5-Year Capital Improvement Program follows.

## INTRODUCTION

This 5-year Capital Improvement Plan (CIP) presents the Santa Cruz Port District's plan for development, maintenance, improvement, and acquisition of infrastructure assets to benefit Santa Cruz Harbor's users, businesses, and visitors. It is intended to serve as a guidance document for planning, scheduling, and implementing capital improvements and planning projects over the next 5 years.

The 5-year CIP serves as a tool for prioritizing and selecting future projects, and provides an overview of works in progress. The CIP highlights the District's investments in infrastructure development and maintenance (i.e., capital improvements) and other significant capital expenditures. Studies of less than \$5,000, and capital expenditures for equipment, vehicles and vessels are typically not included in the CIP, though there are exceptions.

## CAPITAL IMPROVEMENT PLAN DEVELOPMENT

Annual updating of the 5-year CIP is an integral part of the budget process. The CIP is presented with the budget to provide time for review by the public and the Port Commission prior to consideration and incorporation into the final budget.

Prior to FY13, many capital improvements were budgeted and completed within line items in the operating budget, such as Pavement Repairs (F006), Building Restoration (F011), Restroom Building Rehabilitation (F012) and Dock Upgrades(F008). Those items are now presented as separate projects within the 5-year CIP with recommended funding amounts for ongoing rehabilitation and repair.

Each year, the Commission will adopt an updated 5-year CIP that will include prioritized short and long-term projects. The prioritized list will be used by staff in the development of the annual operating budget. The 5-year CIP will be published in advance of and discussed during a public meeting prior to adoption of the annual budget.

## FUNDING THE CAPITAL IMPROVEMENT PLAN

Each year, funding is allocated to various large and small projects within the CIP. Non-specific CIP funding is contained in the Unallocated CIP Funds (F099), which is also referred to as the CIP Reserve Fund.

In FY16, the Port Commission adopted a Reserve Policy, which established funding goals for reserves and for the 5-year CIP. The Commission initially elected to contribute \$500,000 to the CIP fund each year, whenever practicable. The CIP fund would be allowed to grow over time so that large-scale projects could be planned and accomplished without impacting either the Reserve Fund or operations. In February 2020, the Commission increased the CIP funding goal to \$750,000 annually, whenever practicable, while recognizing that a higher annual contribution will likely be required to keep pace with future infrastructure needs.

In FY27, the increased funding goal of \$750,000 is attainable. A \$1,000,000 contribution is proposed in conjunction with reassigning \$420,000 of previously allocated CIP funds to establish funding in the amount of \$1,420,000 for identified project needs.

## PROJECT DEVELOPMENT AND SELECTION PROCESS

The projects proposed in the FY27 CIP were derived from a variety of sources, including recommendations from Port District staff, Commission and public input, and projects identified in the Port District Priorities for 2026.

Although not typically included as capital improvements, planning studies may be included in the CIP as part of the planning effort. Studies of less than \$5,000 or capital expenditures for vehicles, equipment and vessels are typically funded in the operating budget.

A summary of proposed FY27 projects is included below:

- Eight (8) previously identified projects are proposed for funding in FY27.
- No new projects are proposed for funding in FY27.
- No projects are proposed for closeout (i.e., removal from the list). A CIP Summary sheet outlining projects and funding levels is included as Appendix A.

## PROPOSED PROJECTS

Several of the proposed projects in this CIP address ongoing infrastructure or facility maintenance needs and are typically programmed on an annual basis. Examples include Pavement Repairs (F006) and Building Restoration (F011).

The following attachments provide additional detail regarding future funding needs and project descriptions:

- Appendix B: Capital Improvement Plan Detail – 5-year funding projections
- Appendix C: Capital Improvement Plan Detail – Project Descriptions (funded and unfunded)

## ENVIRONMENTAL REVIEW

The development of this 5-year plan is not a project, as defined in the California Environmental Quality Act (CEQA), and an environmental review is not required for its adoption. Individual projects listed herein may be subject to CEQA and environmental reviews will be conducted during project implementation.

---

## CAPITAL IMPROVEMENT PLAN DETAIL

### APPENDIX A – CIP SUMMARY

The table below summarizes FY26 CIP funding contributions, including mid-year transfers to individual funds.

<b>CIP FUNDING SUMMARY</b>	
Beginning Balance as of April 1, 2025	<b>\$9,991,716</b>
Transfer Out – Garbage Compactor Purchase (PC Approval 7/10/25)	(\$24,796)
Transfer In – Unanticipated Revenue – CalOES (PC Approval 10/28/25)	\$831,249
	<hr/>
<b>Total:</b>	<b>\$10,798,169</b>
Anticipated FY26 Expenditures through March 31, 2026	(\$5,067,335)
	<hr/>
	<b>\$5,730,834</b>

**CAPITAL IMPROVEMENT PLAN DETAIL**  
**APPENDIX A – CIP SUMMARY (CONT.)**

The table below summarizes the FY27 CIP funding contributions (and reallocations) and details projected balances for individual funds as of April 1, 2026.

Project Name	No.	Beginning Balance April 1, 2025	FY26 Projected Expenditures	FY26 Mid-Year Changes	FY27 Proposed Reallocation	FY27 Funding Contribution	Projected Balance April 1, 2026
Harbor Security Upgrades	HO01	12,867	(12,436)			15,000	\$15,431
Sanitary Sewer Lift Stations	F004	364,538					\$364,538
Piling Replacement	F005						-
Pavement Repairs	F006	80,141				350,000	\$430,141
Dock Upgrades	F008						-
Pier Rehabilitation	F009	254,821	(235,000)				\$19,821
Building Restoration	F011	322,272	(239,917)		150,000		\$232,354
Restroom Building Rehabilitation	F012	316,424			(150,000)		\$166,424
Parking Pay Station	F018	15,000				100,000	\$115,000
West Jetty Walkway	J001						-
7th and Brommer Recon	F021	74,069	(48,878)			25,000	\$50,191
SH Revetment & Seawall	F022	88,500					\$88,500
Murray Street Bridge	F024	6,784,261	(3,631,611)				\$3,152,650
Unallocated CIP Funds	F099						-
Aldo's Seawall Replacement	F027	148,088	(27,500)				\$120,588
Parking Upgrades	F028	-					-
Harborwide Refuse Study	F039	5,000			8,000		\$13,000
Embankment Assessment	F042	33,314	(4,008)		(20,000)		\$9,306
Fuel System Upgrades	F043	32,933	(32,810)		12,000		\$12,123
North Harbor Transformer	F045	24,796		(24,796)			
Twin Lakes Haul	F047	400,000			200,000	500,000	\$1,100,000
Floating Barge Purchase	F048	80,670			50,000	10,000	\$140,670
Storm Surge Recovery	F049	954,022	(835,175)	831,249	(250,000)		\$700,096
<b>TOTAL:</b>		<b>\$9,991,716</b>	<b>(\$5,067,335)</b>	<b>\$806,453</b>	<b>\$0</b>	<b>\$1,000,000</b>	<b>\$6,730,835</b>

## CAPITAL IMPROVEMENT PLAN DETAIL

### APPENDIX B – 5-YEAR FUNDING PROJECTIONS

Projects within the Capital Improvement Program are categorized into one of the six following categories:

- Docks, Piers & Marine Structures
- Buildings
- Landside Infrastructure
- Utility Systems
- Planning Projects & Studies
- Miscellaneous Projects

The tables below summarize anticipated funding needs for each identified project / project category for the period FY27 to FY31. The proposed FY27 CIP contribution totals \$1,420,000 and is comprised of the following:

- \$1,000,000 from the Operating Budget
- \$420,000 from Previously Allocated CIP Funds

**DOCKS, PIERS & MARINE STRUCTURES**

NOTABLE FY27 DOCKS, PIERS & MARINE STRUCTURE PROJECTS
<ul style="list-style-type: none"><li>• Replacement of G and X Dock is planned and will be funded through a combination of financing and Storm Surge Recovery efforts (Miscellaneous Projects category below)</li></ul>

**BUILDINGS**

NOTABLE FY27 BUILDING PROJECTS
<ul style="list-style-type: none"><li>• Building Repairs at 345 Lake Avenue (Exterior Upgrades, Paint, Decking)</li><li>• Building Repairs at 365 Lake Avenue (Window Replacement, Exterior Upgrades)</li><li>• Building Repairs at 555 Brommer Street Extension (Roof Coating)</li></ul>

**LANDSIDE INFRASTRUCTURE**

NOTABLE FY27 LANDSIDE INFRASTRUCTURE PROJECTS
<ul style="list-style-type: none"><li>• Launch Ramp Parking Lot Paving</li><li>• Replacement of Concession Lot Parking Equipment</li></ul>

**UTILITY SYSTEMS**

NOTABLE FY27 LANDSIDE INFRASTRUCTURE PROJECTS
<ul style="list-style-type: none"><li>• Replacement of G-Dock Sanitary Sewer Lift Station</li></ul>

**PLANNING PROJECTS & STUDIES**

NOTABLE FY27 PLANNING PROJECTS AND STUDIES
<ul style="list-style-type: none"><li>• Continued Planning and Permitting for New Restaurant at 616 Atlantic Avenue</li><li>• Continued Planning for Repair and Replacement of West Side Seawall</li></ul>

**MISCELLANEOUS PROJECTS**

NOTABLE FY27 PLANNING PROJECTS AND STUDIES
<ul style="list-style-type: none"><li>• <i>Twin Lakes</i> Haulout</li><li>• Installation of Additional Security Cameras</li><li>• Storm Surge Recovery Efforts</li><li>• Harbor Beach Refuse Improvements</li></ul>

**TOTAL 5-YEAR CIP FUNDING NEEDS<sup>7</sup>**

	FY27	FY28	FY29	FY30	FY31	Total
Docks, Piers & Structures	\$0	\$650,000	\$675,000	\$475,000	\$450,000	\$2,250,000
Buildings	\$150,000	\$300,000	\$260,000	\$400,000	\$350,000	\$1,460,000
Landside Infrastructure	\$450,000	\$300,000	\$155,000	\$305,000	\$80,000	\$1,290,000
Utility Systems	\$20,000	\$100,000	\$325,000	\$100,000	\$300,000	\$845,000
Planning Project/Studies	\$25,000	\$85,000	\$135,000	\$5,000	\$5,000	\$255,000

	<b>\$1,420,000</b>	<b>\$1,447,000</b>	<b>\$1,562,000</b>	<b>\$1,297,000</b>	<b>\$1,197,000</b>	<b>\$6,923,000</b>

<sup>7</sup> Excludes funding/financing needs for G & X Dock Replacement Project.

CAPITAL IMPROVEMENT PLAN DETAIL  
 APPENDIX C – PROJECT DESCRIPTIONS  
 FUNDED PROJECTS

FUND	PROJECT NAME	PURPOSE
HO01	Harbor Security Upgrades	<p>Improve security systems throughout the harbor to reduce unauthorized use. Security cameras with remote monitoring capabilities have been installed at key locations.</p> <p><b>FY27: Funding recommended for installation of additional cameras.</b></p>
F004	Sanitary Sewer Lift Stations	<p>Repair and phased replacement of Port District lift stations, including control panel. A comprehensive assessment of the nine existing sanitary sewer lift stations was performed in FY22, and the G-Dock lift station was prioritized for repair (placed out to bid in FY24, but all bids received exceeded the Engineer’s Estimate for the project). The project is planned to be rebid in FY26.</p> <p><b>FY27: No funding recommended.</b></p>
F005	Piling Replacement	<p>Ongoing repair and maintenance of approximately 700 piles throughout the harbor. Over the last 7 years, approximately 300 piles have been repaired and/or replaced.</p> <p><b>FY27: No funding recommended, as large-scale piling repairs will be planned/coordinated as part of ongoing storm surge recovery efforts.</b></p>
F006	Pavement Repairs	<p>Ongoing repair and maintenance of harbor parking lots and roads. No large projects are scheduled in FY26, but repaving and restriping the launch ramp parking lot is planned for FY27.</p> <p><b>FY27: Funding recommended for repaving of launch ramp parking lot.</b></p>
F008	Dock Upgrades	<p>Ongoing repair and maintenance of approximately 30 docks, which provide berthing for over 800 vessels. Funding provides for small projects involving repairs or upgrades to existing docks and appurtenant structures.</p> <p><b>FY27: No funding recommended, as large-scale dock repairs will be planned/coordinated as part of ongoing storm surge recovery efforts.</b></p>

FUND	PROJECT NAME	PURPOSE
F009	Pier Rehabilitation	<p>Ongoing repair, maintenance, and inspection of the harbor's three public pier.</p> <p><b>FY27: No funding recommended.</b></p>
F011	Building Restoration	<p>Repair and improvements that extend the useful life of systems and equipment in District-owned buildings that are leased to concessionaires.</p> <p><b>FY27: Funding recommended for minor repairs at 345 and 365 Lake Avenue and 555 Brommer Street Extension.</b></p>
F012	Restroom Building Rehabilitation	<p>Repair and improvements that extend the useful life of the District's 11 restroom buildings. Phased replacement of the 4 north harbor restrooms that sustained flood damage as a result of the January 2022 tsunami has previously been prioritized. City and Coastal Commission permits have been secured for the demolition and replacement of the I-Dock restroom facility, however this project has been reprioritized as a result of the December 23, 2024, storm surge event.</p> <p><b>FY27: \$150,000 is proposed for reassignment from this fund to Building Restoration, with the remaining balance sufficient to support smaller-scale restroom rehabilitation efforts.</b></p>
F018	Parking Pay Station Upgrades	<p>Replacement of aging parking meters with pay stations throughout the harbor. Future projects anticipate pay station replacement and rehabilitation.</p> <p><b>FY27: Funding recommended for concession lot parking equipment and parking pay station screen upgrades.</b></p>
J001	West Jetty Walkway	<p>Repair and maintenance of Port District installed amenities along the West Jetty Walkway. The Army Corps of Engineers completed structural repairs to the southern portion of the jetty in FY26, utilizing federal funds.</p> <p><b>FY27: No funding recommended.</b></p>
F021	7 <sup>th</sup> & Brommer Reconnaissance	<p>Site assessment and engineering work for future development of the Port District's property in the area of 7<sup>th</sup> and Brommer, and coordination and interface with other opportunities in the area to ensure Port District and community interests are served.</p> <p><b>FY27: Funding recommended.</b></p>

FUND	PROJECT NAME	PURPOSE
F022	South Harbor Revetment & Seawall	Engineering assessment and recommendations involving the seawall along the harbor's west side. FY23 funding initiated a comprehensive engineering assessment of the seawall, including a diving inspection and structural feasibility report.  <b>FY27: No funding recommended.</b>
F024	Murray Street Bridge	Coordination with the City of Santa Cruz on the Murray Street Bridge Seismic Retrofit and Barrier Replacement Project. The City of Santa Cruz has provided reimbursement in the amount of approximately \$7.3M to cover the Port District's costs associated with this project.  <b>FY27: No funding recommended.</b>
F027	Aldo's Seawall Replacement Project	Initially implemented to cover costs for construction of a new seawall at 616 Atlantic Avenue (seawall construction was completed in FY20), the fund now provides funding for future District costs associated with accessway improvements and design/engineering of a new restaurant building at the site. Engineering and design for the restaurant building and waterside infrastructure is complete.  <b>FY27: No funding recommended..</b>
F028	Parking Upgrades	Review and assessment of Port District parking capacity and capabilities.  <b>FY27: No funding recommended.</b>
F039	Harborwide Refuse / Recycling Study	A harborwide refuse and recycling study was completed in FY23. Allocated funding is intended to address recommended improvements, like new/improved receptacles along the beach plaza.  <b>FY27: Funding recommended for new refuse receptacles.</b>
F042	Embankment Assessment	Assessment and repair of the embankment area at the site of the crane pad on the east access road adjacent to <i>Twin Lakes'</i> off-season mooring. Adequate repair/replacement options are being considered as the crane pad is currently compromised and cannot be used at full capacity.  <b>FY27: Reassignment of \$20,000 in funds is recommended.</b>
F043	Fuel System Upgrades	Repair and maintenance of fuel system equipment.  <b>FY27: Funding recommended for miscellaneous repairs.</b>

FUND	PROJECT NAME	PURPOSE
F046	Twin Lakes Haul	<p>The District’s dredge, <i>Twin Lakes</i>, has been in service for approximately 9 years. Bi-annual inspections are routinely performed by a contracted third party knowledgeable in dredge operations and equipment. A recommendation has been made to haul the dredge (for comprehensive inspection and maintenance). A significant contribution is recommended in FY27 to facilitate planned haulout efforts in the upcoming fiscal year.</p> <p><b>FY27: Funding recommended for haulout in FY27.</b></p>
F048	Floating Barge Purchase	<p>Partial set-aside funding to aid in the purchase of a floating barge to facilitate in-house pile replacement work.</p> <p><b>FY27: Funding recommended.</b></p>
F049	Storm Surge Recovery	<p>Repair and replacement of damaged marine infrastructure following the significant storm surge event on December 23, 2024. FY27 efforts focus largely on the replacement of G and X Docks.</p> <p><b>FY26: Reassignment of \$250,000 to the Twin Lakes haul is recommended, leaving approximately \$700,000 available to apply toward G and X Dock replacement costs.</b></p>

**PROJECTS PROPOSED FOR CLOSEOUT**

No projects are proposed for closeout in FY27.

## UNFUNDED PROJECTS

### WIFI SYSTEM

This project involves design and installation of a Wi-Fi system available to harbor customers and tenants. Installation costs are presumed to be borne by a Wi-Fi vendor to be selected through a public bidding process, though there are numerous other options researched by Port District staff which may impact the type of service provided, installation costs, ongoing monthly costs, vendor-provided support, maintenance and customer service, fee-based upgrade options, etc.

A feasibility study by an outside consultant is recommended to identify and assess available options. Any Wi-Fi system should include comprehensive vendor-provided support as a top priority. Should the Commission direct staff to pursue the project following completion of a feasibility study, subsequent development of an RFP for installation of a Wi-Fi system by a qualified consultant is recommended.

### ARANA GULCH GRADE CONTROL STRUCTURE FEASIBILITY STUDY

This project would involve developing a grant proposal to fund engineering design and construction of several sediment-reduction measures in Arana Gulch, upstream of the north harbor. Work on this project commenced in FY 11 with a preliminary application submitted on the Port District's behalf. The application process was suspended because the Port District is not eligible to serve as lead agency for the grant and cooperative agreements had not been executed with the City of Santa Cruz and the County of Santa Cruz for extraterritorial work sponsored by the Port District.

### WEST SIDE MASTER PLAN

Master Plan study to follow reconstruction of a new restaurant at 616 Atlantic Avenue for the purposes of completing accessible public improvements along the walkway and jetty area between AA Dock and Walton Lighthouse, as envisioned in the 2008 West Jetty Walkway project. The West Side Master Plan needs to seamlessly tie in access to any future replacement of the SH Revetment and Seawall (F022).

### ELECTRIC VEHICLE CHARGING STATION

Identification of location(s) for placement of electric vehicle charging station(s) throughout the harbor, including assessment of power requirements and ongoing utility costs and maintenance.

## GENERAL FUND RESERVE POLICY

Adopted by the Santa Cruz Port Commission – November 24, 2015

## RESERVE POLICY OBJECTIVES

To strengthen the financial stability of the District against economic uncertainty, unexpected situations such as natural or man-made disasters, unanticipated drop in revenues, and other unforeseen emergencies or extraordinary circumstances that the Port District may face that are infrequent in occurrence.

## TARGET AMOUNT HELD IN RESERVE

The Port District will strive to hold in reserve an amount equal to 25 percent of the District's annual operating expenses in the current fiscal year's adopted general fund budget. The District recognizes that reserve fund amount may fluctuate and may need to be rebuilt over time as needed.

## FUNDING SOURCES

The reserve fund will generally come from one-time revenue and from excess revenues over expenditures. Examples of one-time revenue include infrequent sales of Port District assets, infrequent revenues from development and grants, or other sources that are typically non-recurring in nature.

## CONDITIONS ON USE OF RESERVES

The use of reserves shall generally be limited to unanticipated, non-recurring needs. Reserve fund balances shall not be used for normal or recurring annual operating expenditures.

The Port Director shall make recommendations to the Port Commission for use of reserves. Appropriations from this reserve fund shall require a resolution approved by the Port Commission.

Requests for use of reserves shall occur only after exhausting the current year's budgetary flexibility. The Port Director shall, within six months of its use, present to the Port Commission a plan and timeline for replenishing the reserve fund.

## INVESTMENT POLICY

Adopted by the Santa Cruz Port Commission – April 9, 2021

## INTRODUCTION

Santa Cruz Port District is a municipal corporation and a political subdivision of the State of California. It is governed by an elected Board of Commissioners; the investment policy is administered through an executive officer, the Port Director.

The responsibilities and authority of the Santa Cruz Port Commission are prescribed in the State of California Harbors and Navigation Code, Part 4, Sec. 6200.

## PURPOSE

This statement is intended to set policy and provide direction to the Port Director of the Santa Cruz Port District for the prudent and beneficial investment of all funds and monies of the District.

## AUTHORITY

The Government Code of the State of California (Government Code), primarily section 53601 and related subsections, authorizes the types of investment vehicles allowed in a California local agency's portfolio. The investment vehicles emphasize preservation of capital and are a conservative set of investments. The authority to invest (as defined in the Government Code) is delegated to the local agency's legislative body for re-delegation to its finance officer. Under no circumstance is the local agency finance officer permitted to purchase an investment that is not specifically authorized by law and within the scope of investments delegated by the local agency's governing board.

This Investment Policy grants the Port Director the authority to act as Finance Officer (Trustee) and manage investments for the Santa Cruz Port District. The Santa Cruz Port Commission will serve in the role of investment committee, responsible for setting investment policy and providing oversight.

The Port Commission, under authorized contract, may delegate certain responsibilities to professional experts in various fields, including but not limited to:

- Investment Consultant: An investment consultant may be retained assist the Port Director in selecting investment options in compliance with State of California public fund management guidelines; reviewing such options over time; measuring and evaluating investment performance; and other tasks as deemed appropriate.
- Designated officers as allowed under California Government Code Sections 53601-53610 and 53620-53622 and/or successor statutes for purposes of assuming fiduciary responsibility for administering and managing certain investments, such as a Section 115 trust to prefund Other Post-Employment Benefits or pension liabilities.
- Additional specialists such as attorneys, auditors, actuaries and others who may be contracted by the District.

Adoption of this policy was made at a regular meeting of the Port Commission on November 27, 2018. The Port Commission, acting as Investment Committee, may adopt other amendments to this policy due to a change in the District's goals and objectives, which shall require an affirmative vote by a majority of the Port Commission. This policy is intended to allow investment in accordance with state and federal laws and successor statutes, and therefore a statute change may not be require a change in this policy. Investment Policy Attachments A and B shall be updated by the Finance Officer, as needed, to reflect current California Debt and Investment Advisory Commission (CDIAC) guidance.

## BASIC POLICY AND OBJECTIVES

In accordance with public fund management guidelines, the Santa Cruz Port District investment policy is a conservative policy guided by the objectives of safety, liquidity and yield, in accordance with Government Code Section 53600.5, which states, *“When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, the primary objective of a Trustee shall be to safeguard the principal of the funds under its control. The secondary objective shall be to meet the liquidity needs of the depositor. The third objective shall be to achieve a return on the funds under its control.”*

The following are objectives:

**Performance Expectations:** The Port District’s cash management portfolio shall be designed with the objective of regularly meeting or exceeding the average yield of the State of California Local Agency Investment Fund (LAIF). The enabling legislation for LAIF is Section 16429.1 et seq. of the California Government Code. LAIF as an indicator is considered a benchmark for lower risk investment transactions and therefore comprises a minimum standard for the portfolio's rate of return. The investment program shall seek to augment returns above this threshold, consistent with risk limitations identified herein and prudent investment principles, when feasible. The investment program may also seek to reduce Other Post Employment (OPEB) or pension liabilities.

**Prudence:** The standard of prudence to be used by investment officials shall be the "Uniform Prudent Management of Institutional Funds Act" (UPMIFA) standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and this investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and the liquidity and the sale of securities are carried out in accordance with the terms of this policy.

**Reporting Requirements:** The quarterly financial reports presented to the Santa Cruz Port Commission, typically presented at regularly scheduled public meetings in July, October, and January, and shall include information about investment performance. (Note: Fiscal year end quarterlies are not typically presented to the Commission, but are reviewed as part of the year-end audit process.)

**Performance Review:** The Santa Cruz Port Commission shall perform periodic appraisals of the investment portfolio and investment policy to evaluate the effectiveness of the District’s investment program. The Investment Policy shall be presented with the annual budget document.

**Ethics and Conflicts of Interest:** Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Employees and investment officials shall disclose any material interests in financial institutions with which they conduct business, in accordance with applicable laws. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of the Port District.

**Investment Portfolio Compliance:** The Port District’s investment portfolio must be in compliance with statute at the time that investments are purchased. The investment portfolio shall be monitored, as practical, for subsequent changes in

percentages resulting from non-purchase activity or changes in credit rating of existing securities. If, as a result of monitoring, it is discovered that the portfolio or individual investments are deemed to be out of compliance with either statute or this Investment Policy, such non-compliance shall be reported by the Port Director to the Port Commission within five working days along with a detailed explanation for the variance and recommended course of action.

**Exceptions:** When investing in funds deemed suitable for public investment such as LAIF, a Joint Powers Authority Pool or Voluntary Investment Program Fund as described in Attachment A, California Debt and Investment Advisory Commission (CDIAC) Figure 1, no maximum specified percentage of portfolio shall apply.

**Conflicts:** In the event any provision this Investment Policy is in conflict with any of the statutes referred to herein or any other State or Federal statutes, the provisions of each statute shall govern.

## PERMITTED INVESTMENTS AND LIMITATIONS

**Permitted Investments:** The California Government Code contains specific provisions regarding the types of investments and practices permitted after considering the broad requirement of preserving principal and maintaining liquidity before seeking yield. These provisions are intended to promote the use of reliable, diverse and safe investments instruments to ensure a prudently managed portfolio worthy of public trust.

Government Code Sections 16340, 16429.1, 53601, 53601.6, 53601.8, 53635, 53635.2, 53635.8, 53638, and 53684 include a number of requirements on how and where public money may be invested. CDIAC Figure 1 provides a synopsis of the permitted investment instruments and limitations on each, in which all local agencies may invest as summarized by CDIAC, Local Agency Investment Guidelines, Update for 2018).

The Port District may invest only in those instruments specified in State law; however, the Port Commission may set a more stringent standard.

To the extent allowable by statute, the Finance Officer and Investment Committee (Port Commission) may consider investment in funds, such as those allowable under an irrevocable Section 115 Trust of the Internal Revenue Code, designated for the payment of employee retiree health benefits (Other Post Employment Benefits "OPEB") as authorized under Government Code Sections 53620-53622 or a Pension Prefunding Trust Program "PPTP," currently under development by CalPERS as authorized by SB 1413, which may provide a future investment opportunity.

**Limitations on Investments:** Limitations as established by law are subject to change as established by the State Treasurer. A listing of limitations on investments are as summarized by CDIAC, Local Agency Investment Guidelines, Update for 2018, are shown in the Table of Notes appended to Table 1. As noted above, investment options and limitations are subject to change as established by the State Treasurer from time to time.

The Trustee, with guidance and approval of the Investment Committee (Port Commission), may adopt additional limitations on investments over time, which shall be made a part of this policy.

Deposits in the fund will be invested in the Pooled Money Investment Account.</p> <p><b>U</b> Only those obligations issued or unconditionally guaranteed by the International Bank for Reconstruction and Development (IBRD), International Finance Corporation (IFC), and Inter-American Development Bank (IADB), with a maximum remaining maturity of five years or less.</p>

## UNFUNDED ACCRUED LIABILITY PENSION MANAGEMENT POLICY

Adopted by the Santa Cruz Port Commission – July 14, 2022

## SECTION 1. PURPOSE

This Unfunded Accrued Liability Pension Management Policy (the “Policy”) is intended to strategically address the existing and any future unfunded accrued liability (the “UAL”) associated with the Santa Cruz Port District’s (the “District”) California Public Employees’ Retirement System (CalPERS) pension plans (the “Pension Plans”). Also addressed are some of the principal elements and core parameters central to the policy objectives. In the development of this Policy, the District strives to reduce its UAL and the associated financing costs in the most cost-efficient and fiscally responsible manner possible.

The District is committed to fiscal sustainability by employing long-term financial planning efforts, maintaining appropriate reserve levels, and employing prudent practices in governance, management, budget administration, and financial reporting. This Policy is intended to make all relevant information readily available to decision-makers and the public to improve the quality of decisions, identify policy goals, and to demonstrate a commitment to long-term financial planning. Adherence to this Policy signals to rating agencies and capital markets that the District is well managed and able to meet its obligations in a timely manner.

The Policy is intended to reflect a reasonable and conservative approach to managing the UAL costs associated with the Pension Plans. This Policy recognizes that the Pension Plans are subject to market volatility and that actual economic and demographic experience of the plans will differ from the actuarial assumptions. Accordingly, it is intended to allow for adaptive responses to changing circumstances, providing flexibility to address such volatility in a financially sound manner. As such, the District is required to continually monitor its Pension Plans and the corresponding UAL.

## SECTION 2. POLICY GOALS AND OBJECTIVES

The overarching goals and objectives of this Policy are as follows:

- Establish, attain, and maintain targeted pension plan funding levels
- Seek to manage and control future contribution volatility to the extent reasonably possible
- Strive to make Annual Discretionary Payments to accelerate UAL pay-down, reduce interest costs, and stabilize future payments, when feasible
- Maintain the District’s sound financial position and creditworthiness
- Provide guidance in making annual budget decisions
- Demonstrate prudent financial management practices
- Ensure that pension funding decisions protect both current and future stakeholders
- Create transparency as to how and why the Pensions Plans are funded

## SECTION 3. BACKGROUND AND DISCUSSION

*In General.* Each Pension Plan is a multiple-employer defined benefit pension plan administered by the California Public Employee Retirement System (“CalPERS”). All full-time and certain part-time District employees are eligible to participate in the CalPERS retirement and disability benefits, annual cost of living adjustments and death benefits offered to plan members and their beneficiaries. CalPERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute.

The financial objective of a defined benefit pension plan is to fund the long-term cost of benefits provided to the plan participants. In order to assure its financial soundness and sustainability, the plan should accumulate adequate resources

in a systematic and disciplined manner to ensure sufficient resources are available to meet employee benefit requirements. This Policy outlines the practices the District may utilize to address its actuarially determined contributions to fund the long-term cost of benefits to the Pension Plan participants and annuitants.

*Pension Costs and Liabilities.* In order to fund its employees' pension benefits, the District is required to make contributions (a portion of which may come from the employees) to CalPERS. CalPERS then invests these contributions to generate returns to help fund the pension benefits. The regular required contributions, known as the "normal cost," are calculated as a percent of salaries and represent the annual cost of service accrual for the upcoming fiscal year for active employees. If, for any reason, the actual Pension Plan experience and investment performance fall short of the actuarial assumptions, the Pension Plan can become underfunded (i.e., the Pension Plan's Normal Accrued Liability exceeds the Plan's market value of assets). This shortfall is known as the Unfunded Accrued Liability (the "UAL") and usually has to be covered by the District through a series of UAL Payments, which are above and beyond the "normal cost" contributions. The UAL Payments are calculated in total dollar amounts, not as a percent of salaries.

The UAL, can be caused by multiple factors, including but not limited to, changes to CalPERS' actuarial amortization policy, retroactive pension benefit enhancements, investment underperformance, actuarial assumption changes, demographic factors, and discount rate reductions and apply to all accrued employee benefits regardless of current employment status.

*UAL is Debt.* The UAL balance at any given point in time is a debt of the District owed to CalPERS, which is amortized over a set period of time with interest accruing at the then current CalPERS discount rate (the "Discount Rate"). However, this debt can be prepaid at any time without penalties. Recognizing the UAL as debt helps the District identify proper steps to address it and minimize the associated financing costs.

*Ongoing CalPERS Practices.* Every year CalPERS prepares updated actuarial valuation reports for each of the District's Pension Plans wherein it calculates the District's total pension liability as of the end of the prior fiscal year (each a "Valuation Report"). If the investment performance during that fiscal year was different from the Discount Rate, or if CalPERS made any changes to its actuarial assumptions, or if the actual demographic or compensation experience within the Pension Plans was different from the actuarial assumptions, new line items, or UAL amortization "bases," may be added to the plan and result in a change to the UAL balance. Such UAL amortization bases may be positive (indicating funding shortfall for the Pension Plans) or negative (indicating funding surplus for the Pension Plans). Since CalPERS can add new UAL amortization bases every year, the Pension Plans must be monitored annually and managed continually – there is no one-time solution.

CalPERS has adopted the UAL amortization methods that were meant to help public agencies "ease into" paying for the UAL increases. New UAL amortization bases are implemented incrementally, with a five-year ramp-up period, and at times include additional small increases in each of the subsequent years. The ramp-up period, while reducing the cash flow impact in the near term, increases the overall UAL repayment costs for the District by delaying repayment. Since the UAL balances accrue interest at the rate that is equal to the then current Discount Rate, the delayed payments prior to the commencement of the amortization and the reduced payments during the ramp-up period that do not fully cover the interest costs result in negative amortization, causing further increases to the UAL balance. To help reduce the overall costs of the UAL repayment, this Policy encourages level annual payments (i.e., no ramp-up) whenever possible.

## SECTION 4. POLICY

**A. Funding Level Objective.** It is the District’s policy to strive to achieve and maintain a Pension “Funded Ratio” (being the ratio by which the Market Value of Assets—as set forth in the most recently published Valuation Report—exceeds the Entry Age Normal Accrued Liability or “EANAL”—as set forth in the most recently published Valuation Report) for each Pension Plan of 90% (the “Funding Level Objective”).

### Funding Level Objective = 90%

Achieving and maintaining the 90% Funding Level Objective ensures that the ongoing contributions of the District and its employees are properly and adequately funding the retirement benefits of retirees and today’s workers. This concept is commonly referred to as the intergenerational equity. The reason for a Funding Level Objective of 90% rather than 100% is to allow some cushion for the possibility that good investment returns by CalPERS in a given year might push the Funded Ratio of a Pension Plan above 100% (commonly referred to as “superfunded status”), which means that the District and its employees had contributed into the Pension Plan more than was necessary. Thus, while the District remains committed to maintaining a 100% funded level, it shall manage the 10% differential (i.e., the difference between 90% and 100%) through its own investment process by creating the “Pension Rate Stabilization Fund” discussed herein.

**Guidance:** To achieve the Funding Level Objective, this Policy provides the following guidance:

1. **Pre-Pay the Entire Annual UAL Payment by July 31<sup>st</sup> of each year.** On or before July 1st of each year, the District receives its annual CalPERS UAL invoice. The District has two payments options. The invoice can (1) be paid in equal monthly increments or (2) be fully pre-paid at the beginning of the fiscal year by July 31st. By prepaying the entire invoice amount due by July 31st, the District can save approximately 3.5% compared to making the monthly payments. As such, every effort should be made to pre-pay the UAL payment upon receipt of the annual invoice, when feasible.
2. **Pre-Pay UAL from Reserves, One-Time Revenues and Fund Surpluses.** Reserves (often invested in LAIF) regularly do not earn returns that can offset the interest rate that CalPERS charges on the outstanding UAL balance. Supplemental contributions into the Pension Plans from available reserves, one-time revenues and fund surpluses can generate substantial long-term net savings. Each supplemental contribution, referred to by CalPERS as an Additional Discretionary Payment (ADP), reduces the UAL balance, the Annual Required Contributions (ARC) for future years, and the total interest costs associated with the UAL. CalPERS does not apply any prepayment penalties to ADPs. Therefore, during each budget cycle, District staff shall review all available reserves, one-time revenues and fund surpluses to determine whether any such funds could be used to make an ADP to pay down the UAL, keeping in mind operational and capital budgetary constraints while maintaining adequate reserves and balancing the fiscal soundness of eliminating the high-interest UAL debt. ADPs should not adversely affect the general operations and fiscal soundness of the District.
3. **Capital Financing.** When considering capital projects, staff regularly reviews and plans for reserving capital to cash fund current and future projects. When considering how to pay for current and future capital projects, staff should review the current tax-exempt market to assess if it would be more cost effective to

borrow at tax-exempt rates to pay for the capital projects and redirect the reserved funding (and/or such other appropriate funds of the District) to make ADPs to CalPERS.

If there are projected cost savings by using this method, and a capital financing strategy is to be implemented, the Port Commission would need to approve of the ADPs being paid to CalPERS prior to the financing to ensure that the annual savings generated by implementing the strategy are applied to UAL paydowns.

4. **Utilize Savings Achieved from Refunding Outstanding Non-Pension Related Debt to Pre-Pay UAL.** During each budget cycle, staff should review all outstanding long-term non-pension related debt of the District to determine whether a refunding of such debt might result in net present value savings of greater than 3%, and if so, consider a structure and strategy that frontloads the savings from such debt refunding, which can then be used to pay down the UAL.
5. **Sources of Revenue.** All fees, rates and charges should incorporate full allocation of pension costs for employees providing associated services. While some funds cannot contribute more than their fair share (i.e., enterprise funds), they should not contribute less than their fair share. Staff shall review allocation of labor costs to proprietary and other funds to ensure full reimbursement of the pension cost burden. Staff shall provide, or cause to be provided, consistent and well-documented methodology for pension cost allocation to all funds.
6. **Pension Obligation Financing.** The District shall consider issuing taxable municipal debt obligations (generically hereafter referred to as "Pension Obligations") to refinance the UAL, in part or in whole, if such bond obligations are expected to produce minimum cash flow savings of at least 5%, taking into account all debt service and costs of issuance associated with such bond obligations, in comparison to CalPERS' respective UAL amortization schedule and the then-current Discount Rate.

Pension Obligations shall not utilize swaps or derivatives of any kind and should be structured with reasonable and flexible call provisions (with a maximum of 10-year call provision). Pension Obligations shall be used only to prepay the UAL liabilities and shall not be used to finance normal cost payments. The issuance of Pension Obligations must be voted upon and approved by the Board of Directors.

7. **Annual Review of the CalPERS Actuarial Valuation Reports and Associated Tasks.** District staff shall review or cause to be reviewed the annual CalPERS actuarial valuation reports within 60 days of their release by CalPERS, which usually takes place during the month of August. The review should focus on identifying the annual changes to each of the Pension Plans UAL and quantifying the associated cost implications and the corresponding impact on the Funded Ratio. Staff should annually reach out to the District's CalPERS actuary to request a calculation of flat payments (rather than ramp-up payments) for all outstanding and new UAL amortization bases. In making ADPs, District staff shall determine or cause to be determined the optimal application of the ADPs to the outstanding UAL amortization bases to achieve the Funding Level Objective as well as desired budgetary outcomes.

**B. Establishment and Operation of a Pension Rate Stabilization Fund.**

1. **Establishment of a Pension Rate Stabilization Fund.** Once the District has substantively accomplished stabilizing all Pension Funds at or near the Funding Level Objective, the District may establish a Pension Rate Stabilization Fund, either self-managed or a Section 115 trust fund managed by a third-party investment manager (the “Investment Manager”). The Pension Rate Stabilization Fund will receive Sequestered Savings (defined below) and Sequestered Surplus (defined below) as well as any other funds deposited into it at the discretion of the Port Commission, based on recommendations made by District staff during the annual budget process. Funds in the Pension Rate Stabilization Fund should only be used to manage the District’s pension benefits costs to maintain each of the Pension Plans at the Funding Level Objective in accordance with the goals and objectives set forth in this Policy.

2. **Funding the Pension Rate Stabilization Fund.**

(a) **Sequestered Savings.** At the beginning of each Fiscal Year following the issuance of each series of Pension Obligations, for a total of ten (10) consecutive years (or such other period of years as deemed appropriate by the Port Commission at the time of any subsequent issuances of Pension Obligations) following such issuance, a fixed dollar amount equal to 50% (or such other percentage as deemed appropriate by the Port Commission at the time of any subsequent issuances of Pension Obligations) of the “Total Sequestered Savings” (as calculated in the manner set forth below) achieved by issuing Pension Obligations (the “Annual Sequestered Savings Savings”), shall be transferred from the District’s general operating funds and deposited into the Pension Rate Stabilization Fund until such time that the Pension Rate Stabilization Fund reaches the Pension Rate Stabilization Fund Maximum (as outlined in section B3 below), and thereafter all Sequestered Savings will be directed to a “Pension Obligation Prepayment Fund” which will be established and maintained by the District for the purpose of prepaying any outstanding Pension Obligations.

$$Total\ Sequestered\ Savings = UALDS - DS$$

$$Annual\ Sequestered\ Savings = 0.5x\left(\frac{UALDS - DS}{Y}\right)$$

UALDS = Scheduled UAL debt service being paid off by the Pension Obligations

DS = Total principal amount of Debt Service on the Pension Obligations

Y = Number of years to pay back Sequestered Savings

### Example of Annual Sequestered Savings Calculation

A \$5M Pension Obligation was issued in 2022 for the purpose of prepaying UAL. The total UAL debt service (UALDS) paid off with the Pension Obligation was \$8,000,000 and the total debt service (DS) on the Pension Obligation is \$7,000,000. The District elected to sequester 50% of the total savings over a 10-year period (Y), which in this example totals \$100,000.

$$\begin{aligned} \text{Annual Seq. Savings} &= 0.5x\left(\frac{8,000,000 - 7,000,000}{10}\right) \\ &= \$50,000 \end{aligned}$$

(b) Sequestered Surplus. Each Fiscal Year during the District’s normal budget adoption process, beginning with the 2022-23 Fiscal year budget, and for each of the following 9 years, a percent between 0% and 10% of any available surplus from the prior Fiscal Year (the “Sequestered Surplus”) shall be set aside, transferred and deposited into the Pension Rate Stabilization Fund.

3. Operation of the Pension Rate Stabilization Fund. Sequestered Surplus and Sequestered Savings (and any other amounts contributed by the District) shall be deposited in the Pension Rate Stabilization Fund and used solely for the purpose of making ADP’s (and Normal Cost payments during a Fiscal Hardship, and/or to the extent the amount therein exceeds the Pension Rate Stabilization Fund Maximum, as described below) to CalPERS for the purpose of achieving and maintaining Funding Level Objective.

With the goal of achieving and maintaining the Funding Level Objective, each year during the budget cycle, District staff shall calculate, or cause to be calculated, the upcoming Fiscal Year’s estimated Funded Ratio by taking into account the most recent Valuation Report’s statement of Funded Ratio and adjusting for the estimated UAL amortization base that will be either added or subtracted due to the prior Fiscal Year’s investment result of either exceeding or falling short of the then current Discount Rate for that Fiscal Year (the “Estimated Funded Ratio”). If the Estimated Funded Ratio is estimated to be less than the Funding Level Objective, to the extent funds are available in the Pension Rate Stabilization Fund, the Port Director shall make an ADP to CalPERS in the amount necessary to bring the Funded Ratio back up to the Funding Level Objective. Additionally, if sufficient funds are available in the Pension Rate Stabilization Fund, staff shall assess whether to fully amortize any new UAL amortization bases in order to reduce the long-term interest costs associated with the “ramping” procedures used by CalPERS.

Moneys in the Pension Rate Stabilization Fund shall not be used for normal costs until such time as the amount therein, when combined with the Market Value of Assets (as set forth in the most recently published Valuation Report) exceeds the Entry Age Normal Accrued Liability (as set forth in the most recently published Valuation Report) by 110% (the “Pension Rate Stabilization Fund Maximum”). To the extent monies in the Pension Rate Stabilization Fund on June 31st exceed the Pension Rate Stabilization Fund Maximum (after consideration has been given to the amounts therein required to be paid to CalPERS for the ensuing Fiscal Year to maintain the Estimated Funded Ratio at or above the Funding Level Objective), any accrued surplus

over 110% may be used to offset the District's Normal Cost payment made to CalPERS in such Fiscal Year, and any Sequestered Savings will be directed to the Bond Call Fund.

4. **Fiscal Hardship**. In the event of a Fiscal Hardship (as defined below), transfers of Sequestered Savings may be abated and/or the Pension Rate Stabilization Fund may be utilized for either normal or UAL costs until the Fiscal Hardship is no longer in effect.

"Fiscal Hardship" means an economic hardship, or other unanticipated fiscal emergency, that has been declared by resolution by the Port Commission.

- C. **Transparency and Reporting**. Funding of the Pension Plans should be transparent to all stakeholders, including plan participants, annuitants, the Port Commission, and District rate payers. To achieve this Policy objective, copies of the annual actuarial valuation reports for each Pension Plan shall be made available and posted on the District's website. The District's audited financial statements shall also be posted on the District's website.
- D. **Annual Budget to Contain Policy Directed Information**. The District's annual operating budget shall consider the items specified in this Policy for inclusion in each such annual budget.
- E. **Review of Policy**. Funding a defined benefit pension plan requires a long-term planning approach. This Policy is intended to provide general objectives and guidelines, and as such, District staff will review the policy for implementation of new best practices and provide the Port Commission with updates for approval on an as needed basis, not to exceed 5 years.

DRAFT FY27 FEE SCHEDULE

## PARKING

Description	Fee
Visitor Parking Pass: Daily	\$20.00 /day
Visitor Parking Pass: Hourly	\$2.00 /hour
Slip Licensee 1st/2nd Additional Annual Parking Permits	\$50.00 / \$100
Slip Licensee Visitor Parking Pass: Daily	\$10.00 /day
RV Park Overnight Parking	\$75.00 /night
RV Park Overnight Parking Booking Fee	\$6.00 /flat rate
RV Park Overnight Parking Lock Site Fee ( <i>optional selection</i> )	\$25.00 /flat rate
RV Park Cancellation Fee (72-hour notice)	\$25.00
RV Park Cancellation Fee (less than 72-hour notice)	\$75.00
Overnight Parking: Launch Ramp (RV w/o trailer)	\$75.00 /night
Overnight Parking: Launch Ramp (RV w/trailer)	<del>\$93.00</del> <del>\$83.00</del> /night
Overnight Parking: Launch Ramp (Vehicle w/o trailer)	\$30.00 /night <sup>A</sup>
Overnight Parking: Launch Ramp (Vehicle w/trailer)	<del>\$48.00</del> <del>\$30.00</del> /night <sup>A</sup>
Overnight Parking: 7th & Brommer	\$20.00 /night
Annual North Harbor Visitor Parking Pass: M - F	<del>\$150.00</del> <del>\$100.00</del> /year
Annual North Harbor Visitor Parking Pass: Every Day	<del>\$200.00</del> <del>\$150.00</del> /year
Annual Landside Tenant Business Parking Permit	\$240.00 /year
Concession Parking Lot: Overflow Parking Pass	\$10.00 /day
Concession Parking Lot: 30 Minutes or Less	FREE
Concession Parking Lot: Entry Before 4 PM (First 2.5 Hours)	\$2.00 /hour
Concession Parking Lot: Entry Before 4 PM (After 2.5 Hours)	\$5.50 /hour
Concession Parking Lot: Entry After 4 PM	\$2.00 /hour
Concession Parking Lot: Lost Ticket Fee	\$45.00

<sup>A</sup> Includes all-day parking through 9 PM 2nd night.

## LAUNCHING

Description	Fee
Daily Launch Permit	\$18.00
Daily Launch Permit - Disabled	\$12.00
Daily Cartop Launch Permit (2 Vessels)	\$15.00 <sup>B</sup>
Handlaunch or Additional Vessel w/ Cartop	\$7.00
Annual Launch Permit: Every Day	\$370.00
Annual Launch Permit: M - F	\$265.00
Annual Launch Permit - Disabled: Every Day	\$225.00
Annual Launch Permit - Disabled: M - F	\$165.00
Annual Launch Permit Cartop	\$250.00

<sup>B</sup> Includes launching for 2 vessels/boards & vehicle parking.

## VISITOR BERTHING

Description	Fee
Up to 50' Monohull: 1-14 Days	\$1.50 /ft./day, \$42.00 minimum
Up to 50' Monohull: 15+ Days	\$2.25 /ft./day, \$63.00 minimum
50'+ Multihull: 1-14 Days	\$1.75 /ft./day, \$52.50 minimum
50'+ Multihull: 15+ Days	\$2.25 /ft./day, \$63.00 minimum
Commercial <sup>C</sup>	\$0.75 /ft./day, \$30.00 minimum

<sup>C</sup> Commercial rate applies to fishing vessels actively & solely engaged in commercial fishing. Proof in advance of slip assignment in the form of two CDFW commercial fish landing receipts within the previous two weeks may be required.

## OTHER VISITOR SERVICES

Description	Fee
Catamaran Overnight Storage	<del>\$20.00</del> <del>\$5.00</del>
End-Tie full length (Regattas, Cruises, Etc.)	\$270.00 /day
End-Tie half length (Regattas, Cruises, Etc.)	\$160.00 /day
Winter End-Tie Berthing Program: Recreational <sup>E</sup>	\$27.90 /ft./mo. <sup>F</sup>
Winter End-Tie Berthing Program: Commercial <sup>E</sup>	\$18.00 /ft./mo. <sup>F</sup>

<sup>D</sup> Storage on beach only.

<sup>E</sup> Winter: October 31 - March 1, commercial year-round subject to Harbormaster approval.

<sup>F</sup> 1-month occupancy; paid in advance.

MOORAGE RATES <sup>G</sup>

Description	Fee
South Harbor: Single Side	\$15.75 /foot
South Harbor: Double Side	\$17.34 /foot
South Harbor: AA Dock	\$26.78 /foot
South Harbor: ABC Dock	\$31.50 /foot
North Harbor: 20' (Including Inside-Ties)	\$14.14 /foot
North Harbor: 25' / 30'	\$14.90 /foot
North Harbor: 35' / 40'	\$15.31 /foot
North Harbor: Wide 45'	\$17.58 /foot
North Harbor: Dory-Tie	\$76.27 /month
Security Deposit	1 month's rent

<sup>G</sup> Slip rent is based on the greater length of the slip or vessel (and any overhangs).

## DRY STORAGE

Description	Fee
7th & Brommer Gravel Lot	\$145.28 /month
North Harbor Paved Lot 24 <sup>1</sup>	\$155.44 /month
North Harbor Paved Lot 28 <sup>1</sup>	\$187.41 /month
North Harbor Paved Lot 33 <sup>1</sup>	\$203.39 /month
Catamaran Storage	\$72.62 /month
Kayak Rack Storage	\$68.28 /month
Security Deposit	2 month's rent

## EVENTS

Description	Fee
Event Permit Application Fee	\$75.00 <sup>H</sup>
Event Permit Application Fee (less than 14 days)	\$150.00 <sup>H</sup>
Harbor Beach: 0-100 People	\$400.00 /day
Harbor Beach: Add 'l 50 People	\$175.00 /day
Harbor Beach Plaza	\$250.00 /day
Mariner Park Lawn: 0-100 People	\$250.00 /day
Mariner Park Lawn: Add 'l 50 People	\$100.00 /day
JG Townsend Maritime Plaza	\$150.00 /day
Walton Lighthouse: 0-6 People	\$500.00 /hour <sup>l</sup>
West Jetty	\$325.00 /day
Wiki's Island	\$150.00 /day
Information Booth	\$60.00 /day
Event Deposit	\$500.00 /day minimum
Live Music /DJ	<del>\$250.00</del> <del>\$185.00</del> /day
Stereo System	<del>\$150.00</del> <del>\$85.00</del> /day
Volleyball Court	\$70.00 /court/4-hours <sup>J</sup>
On-water Event Permit Inner Harbor	\$50.00 /hour <sup>K</sup>
Electrical Service Use	\$40.00
Mariner Park Lawn Camping	\$10.00 /night/tent <sup>L</sup>
Public Meeting Room	\$40.00 /hour <sup>M</sup>

<sup>H</sup> Cost recovery for administrative services.

<sup>l</sup> Staff service charges for standby may apply.

<sup>J</sup> Limit 2 courts.

<sup>K</sup> Plus safety staffing & vessels.

<sup>L</sup> Harbormaster approval required.

<sup>M</sup> Fees waived for landside concessionaires and marine-related uses.

STAFF SERVICES <sup>N, O, P</sup>

Description	Fee
Facilities Maintenance & Engineering Manager	\$144 <del>\$135.46</del> /hour
Supervising Harbor Maintenance Worker	\$93 <del>\$90.27</del> /hour
Harbor Maintenance Worker	\$90 <del>\$88.33</del> /hour
Supervising Harbor Dredge Worker	\$96 <del>\$93.96</del> /hour
Harbor Dredge Worker	\$90 <del>\$86.47</del> /hour
Harbormaster	\$144 <del>\$139.46</del> /hour
Assistant Harbormaster	\$103 <del>\$100.13</del> /hour
Senior Deputy Harbormaster	\$96 <del>\$92.07</del> /hour
Deputy Harbormaster	\$90 <del>\$85.06</del> /hour
Customer Service Representative	\$78 <del>\$75.64</del> /hour
Facilities Coordinator	\$78 <del>\$75.64</del> /hour
Finance Officer	\$108 <del>\$105.10</del> /hour
Administrative Services Officer	\$108 <del>\$105.10</del> /hour
Administrative Assistant I/II	\$90 <del>\$88.33</del> /hour
Parking Coordinator	\$78 <del>\$75.64</del> /hour
Parking Control	\$38 <del>\$37.11</del> /hour
Boatyard Supervisor	\$93 <del>\$90.27</del> /hour
Boatyard Crew	\$78 <del>\$75.64</del> /hour
All Vehicles <sup>Q</sup>	\$100.00 /hour

<sup>N</sup> Hourly Labor charges for services outside of routine, for benefit of individual or group.

(Ex: Hazmat response & cleanup, damage repairs, event setup, security, etc.)

<sup>O</sup> Commensurate with 2026 salaries.

<sup>P</sup> 2-hour minimum.

<sup>Q</sup> 1-hour minimum.

## MISCELLANEOUS

Description	Fee
Credit Card Convenience Fee	3%
Administrative Fee	\$25.00
Appeals to the Board of Port Commissioners	\$25.00 filing fee
Credit Card Phone-in Fee	\$10.00
Fuel Service Call Back	\$10.00
Dewatering	\$125.00+ <sup>R</sup>
Dock Box Sale	<del>\$525.00</del> <del>\$475.00</del>
Ice Sales	\$20.00 /tote up to 500lbs.
Returned Check Fee	\$40.00
Discount for Advance Payment of Slip Fees	2% annually
Postage/Mailing	Actual cost + 25%, \$10.00 minimum
Late Payments: One-Time Fee	\$25.00
Late Payments: Interest on Aged Balance	0.833%
Incident Reports Copies	\$25.00
Misc. Landside Storage (Including Impound)	\$150.00 impound fee +\$10.00 /day up to 100 SF <sup>S</sup>
Temporary Non-Secure Trailer Storage	\$100.00 /month <sup>T</sup>
Crab Pot Storage: Max 2 Weeks / Paid in Advance	\$35.00 /week/parking space or 200 SF of pier
Crab Pot Storage: Per Add 'l Day	\$10.00 /day/space or 200 SF of pier <sup>U</sup>
Cleat Installation	\$200.00 minimum
Towing: Inner-Harbor at Slip Licensee Request	\$150.00
Towing: Tow Rescued Vessel to Harbor	\$250.00 minimum for 2 hours max
Citation Signoff	\$15.00
Launch Area Rinse/Flush	\$2.25 /5-minutes
Charter Fee: Small (6 Pak)*	\$135.19 x passenger capacity/12-month <sup>V</sup>
Charter Fee: Medium (7-48 Pak)	\$2.00 /per passenger (base fee may apply) <sup>V</sup>
Charter Fee: Large (49+ Pak)	\$2.00 /per passenger (base fee may apply) <sup>V</sup>
Charter Application Fee	\$250.00 + deposit, if required
Liveaboard Monthly Per Person Fee	\$142.00 /month (indexed to marina fee increase)
Liveaboard Monthly Variable Fee	30% of slip fees
Liveaboard Application Fee	\$250.00
Unattended Electrical Use: 30 AMP / 50 AMP	\$38.00 / \$54.00 per month
Partnership Fee: 3-Partners/2-Partners/1-Partner	15.00%/10.00%/5.00% of slip rent <sup>W</sup>
Electronic Key Fob: First 3 <sup>X</sup>	\$20.00 /each
Electronic Key Fob: Add 'l Over 3	\$80.00 /each
Sublease Fee: South Harbor	30% of slip fees
Sublease Fee: North Harbor	15% of slip fees
Waiting List Fee	\$125.00 /year
Waiting List Bypass Fee: South Harbor	<del>\$6,000.00</del> +1.5 x slip <sup>Y</sup>
Waiting List Bypass Fee: North Harbor	<del>\$2,000.00</del> +1.5 x slip <sup>Y</sup>
Slip Leave Option Fee	\$300.00 /year
Encroachment Permit Application Fee	\$150.00
Landside Tenant Key Copy	<del>\$20.00</del> <del>\$5.00</del> /each

Notes continued on the next page.

## MISCELLANEOUS NOTES:

<sup>R</sup> Actual cost + admin overhead or \$125.00 minimum.

<sup>S</sup> \$0.10/SF/day additional space. Initial impound fee not applicable to misc. storage.

<sup>T</sup> Requires Harbormaster approval; requires current vessel registration.

<sup>U</sup> Requires Harbormaster approval.

<sup>V</sup> Fees for guidance only. Charter approvals & fees are set by Port Commission.

<sup>W</sup> Fee structure to be reviewed with FY27 budget.

<sup>X</sup> Approved partnerships eligible for first 4 at \$20/fob.

<sup>Y</sup> Applicable to business use only.

\* Effective April 1, 2024, the annual adjustment to the Small (6 Pak) Charter Fee will align with the annual increase to marina fees.

**BOATYARD – HAULOUT RATE <sup>1</sup>**

Description	Fee
Monohull: 2-Strap	\$13.00 / ft., \$300.00 min
Monohull: 4-Strap	\$16.00 / ft., \$300.00 min
Multihull: 2-Strap	\$16.00 / ft., \$350.00 min
Multihull: 4-Strap	\$19.00 / ft., \$350.00 min

**BOATYARD – HOLD IN STRAPS / SURVEY HAUL**

Description	Fee
Haul, Hang, and Relaunch ONLY	\$12.00 / ft., \$275.00 min, 1-hour max
Additional Time Charge	\$250.00 / hour charged in ¼ hour increments
High Pressure Wash	\$1.50 / ft. add 'l. charge

**BOATYARD – ONE-WAY HAUL**

Description	Fee
Haul and Load onto Trailer	\$16.00 / ft., \$300.00 min, 1-hour max
Offload from Trailer and Launch	\$16.00 / ft., \$300.00 min, 1-hour max
High Pressure Wash	\$1.50 / ft. add 'l. charge

**BOATYARD – LAY DAYS / YARD DAYS <sup>2</sup>**

Description	Fee
Haul and Launch Days	No charge
Days 1-14	\$1.50 / ft. / day
Days 15-30	\$2.00 / ft. / day
Days 31+	\$5.00 / ft. / day
Mast / Engine Storage	\$18.00 /day, subject to availability

**BOATYARD – MISCELLANEOUS**

Description	Fee
Environmental Surcharge	\$7.00 /day
Hazardous Materials Disposal Fee <sup>3</sup>	\$30.00
Uninsured Vessel Fee	\$10.00 / day
Travelift and Crew <sup>4</sup>	\$275.00 /hour, \$275.00 min
Interior Bay Rental	\$50.00 /day, as scheduled by boatyard staff
Contractor Registration Fee	\$250.00 (non-refundable)
Contractor Renewal Fee	\$200.00 / yr.
Pressure Wash for Trailerable Vessel - Self Service	\$2.00 /ft., \$50.00 min
Pressure Wash for Trailerable Vessel - Full Service	\$4.00 /ft., \$100.00 min
Moorage Rates / Visitor Berthing	Same as regular fee schedule

<sup>1</sup> Haulout rate includes 2-strap haul, high pressure wash, and shoring. Haulout and launch day not charged as lay days. Excessive marine growth subject to additional fee.

<sup>2</sup> Fee applies to vessels trailered in on per space basis. No free days for delays in ordering parts, hiring contractors, etc.

<sup>3</sup> Small quantities of paint, solvents, & used oil only. Large quantities of hazardous materials to be disposed of by vessel owner or contractor.

<sup>4</sup> add 'l. time charged in ¼ hour increments
