ANNOUNCEMENTS

4TH OF JULY HOLIDAY

The 4th of July holiday is expected to draw large crowds to the harbor and nearby beaches, impacting parking and traffic within the area. Harbor Beach, Twin Lakes and Seabright State Beaches will have security checkpoints to ensure fireworks and other prohibited substances don't make it to the beach. As the holiday weekend approaches, please check the Port District's website for updates on road closure information.

SAFE BOATING TIPS FOR THE 4TH OF JULY

Nearly 14% of all accidents each year occur during the three summer holiday weekends of Memorial Day, Fourth of July, and Labor Day.

- If carrying people aboard your vessel who do not normally boat, ensure they are familiar with the location of safety equipment.
- Waterways may become crowded and distractions numerous. Designate a person aboard the vessel to help you act as a lookout.
- Always wear a properly fitted life jacket. Remember that life jackets meant for adults DO NOT work for children. On recreational vessel underway, children under 13 years old must wear a Coast Guard-approved life jacket unless they are below decks or in an enclosed cabin.

NEW DREDGE TWIN LAKES AT HOME

The *Twin Lakes* launched on June 29th and is now moored in the north harbor near U Dock. DSC is completing final

If interested, email Senior Deputy Harbormaster [Blake Anderson](#)

Berthing privileges are not expressed or implied with the purchase of this vessel. Vessel must leave the harbor within two weeks of sale date.

connections and touch ups, then the dredge will be tested and commissioned.

There will be a commissioning ceremony on Wednesday, July 20, 2016, at 11:00 AM. All harbor users and friends are invited. Watch the website for additional details.

SEABRIGHT HAULOUT/LAUNCH RAMP CLOSURE

During the work to remove *Seabright* from the water, a piece of the contractor's equipment broke and the dredge rolled back into the water. Harbor crews have moved *Seabright* to quiet waters at E Dock for a few days so that the launch ramp could be reopened for the 4th of July holiday.

Seabright's Christmas tree, spud and anchor lines were removed during the attempted haulout making it unsafe to anchor out or moor at AA Dock.

The contractor (CenterLift) will return after the holiday with tougher tools and will pull *Seabright* into the launch ramp parking area on Wednesday / Thursday (July 6-7).

THE LAUNCH RAMP WILL CLOSE TUESDAY AFTERNOON, JULY 5TH, AND WILL REOPEN AS EARLY AS POSSIBLE ONCE SEABRIGHT IS OUT OF THE WATER. We apologize for the inconvenience.

ALDO'S RESTAURANT

Aldo's Restaurant has closed and most of the equipment and furnishings have been moved out. The owners have ordered a trailer that will serve as their temporary kitchen, and work is underway to construct a deck at Mariner Park (west side lawn). The expect to reopen for business in late August / early September.
