REGULAR AGENDA

9. Approval of 30-Pak Charter Permit (J. Stoops)

Discussion: Port Director Olin introduced Joe and Raina Stoops of Chartle Charters.

Harbormaster Marshall stated that Joe and Raina Stoops are requesting Commission approval to increase their charter passenger rating from a 6-pak operation to a 30-pak operation.

Harbormaster Marshall stated that the Stoops have operated a 6-pak charter business, Chartle Charters, out of the harbor for over 20 years. Harbormaster Marshall stated that the Stoops are in good standing with the Port District, and recommends approval.

Harbormaster Marshall stated that Mr. Stoops was present at the policy and operations committee meeting on August 16, 2017, and understands that the
new mid-sized charter fee will apply to his 30-pak charter operation ($119 \times 2 = \$238 \times 30 \text{ pak} = \$7,140/\text{year}). She stated that the mid-sized charter fee is presented for approval at tonight’s meeting, as part of Item 9 – Approval of the FY18 Fee Schedule.

Mr. Stoops thanked the Commission for their consideration and stated that he and his wife, Raina, have purchased a 48' commercial fishing vessel that is currently located in Moss Landing. He stated that he intends to berth the new 30-pak vessel, Sea Spirit, in commercial fishery slip T-13, which Harbormaster Marshall confirmed is available and offered outside of the regular waiting list through the commercial fishery slip program.

Mr. Stoops stated that upon approval of the new 30-pak charter, he will cease operation of his current 6-pak charter and pursue the sale of both his vessels (Taylor-Gene and Lauren Rose). Mr. Stoops reported that though they will continue to fish on their vessels commercially, they have signed up on the regular waiting list.

A discussion ensued regarding potential parking impacts associated with the approval of a mid-sized charter.

Mr. Stoops stated that he will encourage customers to carpool, park in the north harbor, and utilize the water taxi when it is operational. He added that his charter operation will not significantly impact visitor parking, as he usually operates during off-peak times. Mrs. Stoops stated that they are considering the purchase of a shuttle van to facilitate parking for their customers as well.

In response to a question posed by Commissioner Geisreiter, Port Director Olin stated that parking impacts can be discussed as part of the annual business use of slip review.

Commissioner Reed stated that he is supportive of the Stoops’ request. Commissioner Geisreiter agreed.

In response to a question posed by Chairman Goddard, Mr. Stoops stated that his new vessel will operate as both a commercial fishing and charter vessel, similar to the Taylor-Gene.

Vice-Chairman Smith stated that he is supportive of the request and expressed support on behalf of Commissioner Gertler who could not be in attendance at tonight’s meeting.
MOTION: Motion made by Vice-Chairman Smith, seconded by Commissioner Geisreiter to approve a 30-Pak charter operation for Joe and Raina Stoops of Chartle Charters.
- Motion carried. Commissioner Gertler ABSENT.

10. Approval of FY18 Fee Schedule

Discussion: Port Director Olin summarized changes to the FY18 Fee Schedule:

- **Charter Fee:**
  - Small (6 Pak Charters) = $119*passenger capacity / 12 per month
  - Medium (7-48 Pak Charters) = 6 pak rate (currently $119)*2*passenger capacity / 12 per month
  - Large (49+ Pak Charters) = $2 per passenger (base fee may apply)

- **Beach / Visitor Parking Fee:** Increase from $12.50 to $13.00

- **Daily Trailer Launch Fee:** Increase from $16.00 to $17.00 (includes parking for truck and trailer)

- **Daily Cartop Launch Fee:** Increase from $12.50 to $13.00

- **RV (with trailer) in Launch Ramp:** Decrease from $75.00 to $69.00 (reflects cost of single RV ($52) and launch ($17))

Port Director Olin stated that although a new charter fee structure is being proposed, it is intended to be used as guidance for charter applicants and staff. She stated that the Commission has sole authority to approve charter operations and associated fees.

Vice-Chairman Smith asked if the new charter fee structure will apply to existing charters. Port Director Olin stated that no fee changes are recommended for existing charter operations.

A discussion ensued regarding the beach / visitor parking fee.

Commissioner Reed proposed that the beach / visitor parking fee increase from $12.50 to $15.00, rather than $13.00.

Vice-Chairman Smith stated that it is his opinion that the monthly $3.00 electrolysis fee be discontinued, as monthly electrolysis testing is not performed on a regular/recurring basis. He suggested that the service be performed upon request.

Vice-Chairman Smith proposed that the overnight visitor berthing rate for commercial vessels be reduced from $.75 / ft / day to $.60 / ft / day, noting that the commercial rate for visiting vessels is significantly less at neighboring harbors.
MOTION: Motion made by Commissioner Reed, seconded by Vice-Chairman Smith to authorize the Port Director to waive or adjust fees as deemed appropriate and approve the FY18 fee schedule as presented, with the following modifications:

- Increase beach / visitor parking fee from $12.50 to $15.00;
- Discontinue monthly $3.00 electrolysis testing fee;
- Reduce overnight visitor berthing rate for commercial vessels to $.60 / ft / day;
- Add comment to the FY18 fee schedule, stating that charter fees are subject to Port Commission review and approval.

A discussion ensued about beach / visitor parking.

Port Director Olin stated that the beach / visitor parking fee and the daily cartop launch fee should remain equal to avoid discrepancies at the pay stations. She stated that charging different rates for visitor parking and cartop launching gives customers the ability to select a lower cost option at the pay station. Vice-Chairman Smith noted that if the daily cartop launch fee is increased to $15.00, it will be within $2.00 of a regular boat launch, creating some inequities.

Commissioner Geisreiter stated that he is supportive of the staff recommendation to increase beach / visitor parking to $13.00. Chairman Goddard agreed.

After additional discussion there was consensus among the Commission to approve the recommended $13.00 beach / visitor parking fee. Commissioner Reed withdrew his motion.

MOTION: Motion made by Commissioner Reed, seconded by Vice-Chairman Smith to authorize the Port Director to waive or adjust fees as deemed appropriate and approve the FY18 fee schedule, with the following modifications:

- Discontinue monthly $3.00 electrolysis testing fee;
- Reduce overnight visitor berthing rate for commercial vessels to $.60 / ft / day;
- Add comment to the FY18 fee schedule, stating that charter fees are subject to Port Commission review and approval.
  - Motion carried. Commissioner Gertler ABSENT.

11. Acceptance of FY17 Audited Financial Statement

Discussion: Port Director Olin presented the final FY17 audited financial statement. She stated that the report is unchanged from the draft reviewed by the Port
Commission in August. She reported that the auditors’ required communications letter to management included a comment on the insurance accrual correcting journal entry made during audit field work, and other client-provided journal entries (GASB 68 and disposal of Seabright).

Chairman Goddard suggested that a CalPERS representative give a presentation at an upcoming meeting to discuss and explain the District’s unfunded liability. Port Director Olin stated that a meeting will be scheduled in the next few months.

Commissioner Reed thanked staff for their efforts with the audit.

**MOTION:** Motion made by Commissioner Reed, seconded by Commissioner Geisreiter to accept the FY17 audited financial statement.
- *Motion carried. Commissioner Gertler ABSENT.*

12. **Approval of Amendment to Taxable Loan Agreement with BBVA Compass Bank**

**Discussion:** Port Director Olin stated that BBVA Compass Bank has provided draft Amendment No. 5 to the District’s taxable loan, which extends the term of the revolving line of credit (RLOC) to August 1, 2019.

**MOTION:** Motion made by Commissioner Geisreiter, seconded by Vice-Chairman Smith to approve Amendment 5 to the loan agreement between the Port District and BBVA Compass Bank to extend the maturity of the Revolving Line of Credit (RLOC) from October 1, 2017, to August 1, 2019, and authorize the Port Director to execute the loan amendment document.
- *Motion carried. Commissioner Gertler ABSENT.*

13. **Approval of Resolution 17-08 – Honoring M. Entwistle**

**Discussion:** Port Director Olin stated that Resolution 17-08 recognizes Milt Entwistle, on his 100th birthday, for his dedication to boating safety and the harbor community.

**MOTION:** Motion made by Commissioner Reed, seconded by Vice-Chairman Smith to approve Resolution 17-08 – Honoring Milt Entwistle.
- *Motion carried. Commissioner Gertler ABSENT.*

14. **Approval of Cash / Payroll Disbursements – August 2017**

**Discussion:** Port Director Olin reported that the amount omitted from the previous month’s Warrant Report (June & July) for warrant #47839 (Plumbing Supplies, W-Dock Water Piping Supplies, Vacuum Breakers) was $351.83.
Commissioner Reed asked for additional information on Warrant #48259 – Project Management Services for Twin Lakes Beachfront Improvement Project. Port Director Olin stated that the fee paid to Mesiti-Miller Engineering is not a monthly retainer, but is billed on a time and materials basis.

MOTION: Motion made by Vice-Chairman Smith, seconded by Commissioner Geisreiter to approve the Cash / Payroll Disbursements for August 2017, in the amount of $432,946.02.  
- Motion carried. Commissioner Gertler ABSENT.
