

# **NOTICE**

## **PG&E PIPELINE REPLACEMENT IN NORTH HARBOR**

### **Temporary Road Closure Notice**

***November 6, 2018, through November 7, 2018***

PG&E has provided notice that the construction area (G-2 Dock to G-3 Dock), will be temporarily closed to all vehicular traffic beginning on Tuesday, November 6, 2018, through Wednesday, November 7, 2018. The road closure is necessary to protect the safety of the workers and the public during the next phase of the project.

Docks will remain accessible at all times during construction. A safe and accessible path of travel will be maintained for pedestrians and bicyclists in the area of construction.

Please note that there may be intermittent delays, re-routing of vehicular traffic and limited parking in the construction area for the remainder of the project.

We thank you for your patience and apologize for any inconvenience this may cause, while the contractor works to complete this important project.

***Please contact the Harbormaster's office with any questions you may have at (831) 475-6161.***
