**HAUNTED HARBOR**

On Saturday, October 27, 2018, hundreds of spooky trick-or-treaters enjoyed the Haunted Harbor event. The Port District would like to thank harbor business and all participants that made this year’s event a hit!

A very special thank you to Jeylene and Monte Ash, who helped transform the Boatyard into a "spooktacular" hit!

If you have any questions regarding this policy, please contact Harbormaster Latisha Marshall at 831-475-6161, ext 17.

**A Reminder to Report Suspicious Activity**

Santa Cruz Port District would like to remind all harbor users to remain vigilant and be on the lookout for any suspicious activity or criminal behavior in the harbor. It is very important to immediately report suspicious activity or criminal behavior to ensure proper intervention and investigation by Harbor Patrol. Reporting crimes allows law enforcement to be proactive in preventing future criminal activity and protect our community.

There are several methods you can use to report suspicious activity:

- Call 9-1-1 for all emergencies, and/or crimes in progress.
- Call police dispatch at 831-471-1131, for non-emergency assistance at all hours, or to request Harbor Patrol assistance.
- Hail a Deputy Harbormaster on VHF channel 9 for non-emergency assistance.
- Call the harbor office at 831-475-6161, for non-emergency assistance during regular business hours.

Thank you for your support.

**CLASSIC CAR SHOW RECAP**

On Sunday, October 14, 2018, over 85 participants filled the harbor’s west side parking lot to display their remarkable classics! The Santa Cruz Port District would like to thank all of the classic car enthusiasts who participated and made this event a success.

Congratulations to this year's "Best in Show," winner, Jeremy Yee, who showcased his stunning 1971 Chevrolet Chevelle.
Welcome Brenda, the Port District's new Facilities Coordinator!

Since August 2017, Brenda has worked for the Port District, providing excellent customer service and skilled administrative support. In addition to her experience at the harbor's front desk, Brenda brings more than six years of business management experience to her new role. Brenda is passionate about supporting the Port District's mission.

Brenda recently moved from Texas to Santa Cruz, and is happy to call the harbor her new home. Congratulations, Brenda!

PORT COMMISSION MEETING SCHEDULE

NOVEMBER

2018-2019 DREDGE OPERATIONS

NORTH HARBOR DREDGING
North harbor dredging commenced on Tuesday, October 9, 2018. The crew began dredging in the X/J channel (near the culvert), to deepen the fairway and adjacent slips. A mechanical failure on the District's booster pump, an essential piece of equipment needed to pump dredged material to the offshore pipeline, has caused dredging in the north harbor to be delayed. Once the necessary repairs are made, north harbor dredging will resume in the X/J channel.

Click here to view the areas proposed for dredging and the anticipated pipeline configuration in the north harbor.

ENTRANCE CHANNEL DREDGING
Dredging of the entrance is scheduled to begin during the week of November 12, 2018, and will continue through April 30, 2019.
